STREAKY BAY AREA SCHOOL - F1 IN SCHOOLS

The F1 in Schools state final, held at the Royal Adelaide Show 2023, was a remarkable event for our school. A total of 15 students formed three teams to compete in both the development and professional classes, demonstrating a wide range of skills in this STEM-based program. These included teamwork, collaboration, design, engineering, CADD design, CAM manufacturing, verbal presentations, trade displays, marketing, and team branding.

Our development class team, Bay Racing, achieved an impressive feat by winning the Outstanding Industry Collaboration, Fastest Lap, Grand Prix Race, Knockout Champions, and Development Class Overall Champions award. This is our best performance since we started participating in the challenge in 2018. In the professional junior class, our teams, Eyre Racing and Oceanic, faced stiff competition, including this year's national development team from SA.

Despite the strong competition, our teams stood out with their professionalism, impressive uniforms, and exceptional trade displays. After delivering their verbal presentations, the teams returned with a positive outlook. In a close battle, Eyre Racing emerged as the winner of the junior professional class, defeating Oceanic.

As a result, Eyre Racing will be advancing to the national final in 2024. This is the first time that two teams from Streaky Bay have qualified for the national finals, a remarkable achievement for the only rural school competing in the challenge in South Australia.

STREAKY BAY AREA SCHOOL - F1 IN SCHOOLS

In addition to the competition, our students had the opportunity to engage in various activities and demonstrations that the show had to offer. Overall, their outstanding efforts are something they should all be proud of.

The school and students wish to express our heartfelt gratitude to the local businesses and community members for their financial sponsorship, in-kind support, industry collaboration, and well wishes for our teams. It's truly remarkable how our small rural community rallies behind our teams, enabling them to compete at such a professional level. We deeply appreciate your continued support and look forward to your involvement in our future endeavours. Thank you once again for your invaluable contribution to our success.

STREAKY BAY INDOOR BOWLS

Sixteen indoor bowlers enjoyed an extra zest-for-life on September 27 when each player sported the colours of their favourite AFL team. See photo

Just in case any player was unprepared for the dress-up president Bev offered a massive assortment of team coloured wear for anyone to borrow.

Apart from all this excitement and obvious rivalry there was the usual friendly chit chat and other highlights for the day.

First there was a decorated cake presentation for secretary Julie's birthday on 26/9 and more photos. Then at the end of the afternoon's 3 games it was found all teams had finished with total scores in the 20's i.e. 27, 26, 25, 23.

What's more only 3 penalty scores given over the entire 3 games.

Players also found the ease to glide curtains at all the windows - no more tug and off the rods, thanks to Julie. This accomplishment, together with the heavy bloc-out green curtain over the kitchen window completes in part the to-do requests at the AGM. More to follow.

Lastly but certainly very important the club membership fees are due and payable to the treasurer asap.

Winning teams were=

Sept. 6 = Roger, John, Shirley

Sept.13 = Shirley, Gay, Annette

Sept.20= Gay, Geoff, Denise, Glenys

Sept. 27= Julie, Cheryl, Joylene (visitor), Glenys

A CELEBRATION OF SEAFOOD - 23 SEPTEMBER

On the 23rd of September 2023, a community event "A Celebration of Seafood" took place at the Streaky Bay Foreshore Campbell's landing. The day featured live musical performances by Sharon Moore and Bonkers. Local culinary experiences were available through a line up of food and beverage vendors, including From Salt & Soil, Basil & Belle, Pizza 4 Shore, Streaky Bay Gin Distillers, Streaky Bay Hotel, and Instep.

Despite the heat and our first taste of a hot summer, we had an amazing turn out of both locals and tourist alike. The food vans came close to a sellout, with over 300 people enjoying the beautiful coastal celebration of seafood, the incredible live music, the delicious local gin and much more.

The Kids corner provided some much-needed respite for parents and little ones needing some entertainment, with our lovely set of giant games set up on the lawn, coloring in and relaxing in the bean bags. The family friendly event concluded with a breathtaking sunset.

The District Council of Streaky Bay is looking forward to hosting more community events like this in the future, indicating a commitment to bringing the community together through such enjoyable gatherings.

MENS SHED

Once again our numbers have been down with people away on holidays and some unwell.

Since the last edition we have hosted a 30 years of Men's Sheds Australia with a BBQ on the jetty platform. The BBQ was on the 8th Sept.

I think our count on the day was 48 people. Thanks must go to the council for allowing us to use the platform for this event. Thanks to all those who attended. Thanks to all from the Men's Shed that helped through the day.

It was our usual menu of sausages/onion and yiro's tea and coffee and cupcakes were also supplied.

We have advertised thanks to Shirley Petty some boxes that the hotel gave us. Quite a few have been collected and will be used for chicken pens and some for small dog kennels. If anyone is interested in these we are at the Men's Shed each Friday from 9.00am to 3.30pm.

There is a little more space at the Men's Shed now because we have sold an old cabinet and a table that was taking up room.

The honour board for the council is now complete and has been picked up.

A small 3D picture has been mounted in a frame made by John Lelifeld. This has been collected and they were happy with the end product.

Our sleigh is getting closer to being finished with Peter Eylward putting the coat of red paint on it.

As was mentioned in the last edition the Honour Board for the West Coast Hawks Football has been delivered and mounted.

The Steaky Bay Marine Product owners have dropped 4 chairs down to us to tidy up and have a fresh coat of varnish put on them ready for their new season.

STREAKY BAY PROBUS

On the 18th and 19th of September there was a Probus Rally in Quorn in the mid north of S.A. 7 people from our club travelled to the rally.

It was a wonderful day of friendship, speakers and entertainment.

We have been nominated to hold the 2024 rally here. We are very excited to host next year as several clubs attend these rallies from all over the EP and mid north.

Our meeting on the 21st saw the return of Tony Ey who works for the RAA. Thanks to all those members and non members that came and listened to Tony. Tony's topic was LIFE IS A HIGHWAY. This covered licensing, car safety challenges, rules, signs and unfamiliar rules.

This was Tony's 6th visit to Steaky Bay and his presentations have always been informative with a touch of humour. Thank you Tony for travelling from Adelaide to speak to us.

We presented him with a Steaky Bay echo holder and a key ring as a memento.

For those non members hope you enjoyed the morning and if you would like to join come to any of our meetings held on the 3rd Thursday of each month in the Flinders room at the hotel.

For Probus month celebrations we have decided to go for lunch in October. A date yet to be decided.

Calling new Scout Leaders for 2024

Are you looking for a rewarding local Community Volunteer Role in 2024

Streaky Bay Scout Group is urgently seeking adult leaders to run both/either Joeys and Cubs in 2024. It would be devastating if in 2024 our important Community Youth group were to go into recess. Without Scout Leader/s, our vital Community Group simply cannot continue!

Our Joeys (6-8yrs) and Cubs (8-11yrs) kids have enjoyed many years of learning life skills, adventure, friendship, teamwork and fun camps. All whilst located at the best Scout Hall in SA, at the beautiful Slideys Beach.

For information about volunteer Leader opportunities please contact locally:

President: Shannon Bubner on 0428 272 041 or Secretary: Leah Bubner on 0419 991 360

Please help support our local kids !

The poster features the Scouts SA logo at the top. Below it, the text "Volunteer today!" is written in large, bold, red letters. Underneath, a smaller line of text says: "Open a world of fun, friendships, adventure and get the satisfaction of helping develop young people to be the best they can be." The central image shows a group of young people jumping joyfully in the air. At the bottom, there is a red banner with white text that reads: "LEADERS WANTED - BEADELL DISTRICT Pt Augusta, Whyalla, Roxby Downs, Pt Lincoln & Streaky Bay". ARTSUP - STREAKY BAY

The crowd flocked to Streaky Bay's Artsup 2023 Art exhibition opening with over 100 attendees.

Live music, local Gin, beautiful food and a huge raffle were all part of the experience on the night.

Art forms included photography, painting, ceramics, embroidery, macrame, mosaics + more. Simon Smith won the top prize for "The Smoothest Pool," and first time entrant Mary Fulwood was the runner-up. Emma Williams and Leah King's work both received merits.

Arts Up Streaky Bay president Kayla Window was thrilled with 79 entries and the diversity of artworks Kayla described this year's exhibition as "beautifully eclectic" "Many volunteer hours go into organising the exhibition and it is rewarding to see the community supporting the arts." She said.

Thanks to a \$5,000 grant from the Streaky Bay District Council, the event offered many various art forms of workshops alongside the exhibition. Which complimented the week long event.

Artsup are proud of the way the exhibition empowers youth with categories and prizes awarded, Macey Trezona from Streaky Bay Area School was mentored to design all of the posters for the exhibition. The grant also provided scholarships, with fully funded tickets which were awarded to youth from Streaky Bay and Miltaburra Area Schools. Some young students from Koonibba Aboriginal School submitted their artwork and planned their school excursion around the exhibition, while visiting they participated in a ceramic plate painting workshop and got to see their works on the walls!

In the youth category, Rehane Ghale Gurung's "A Dusky Voyage" won the major prize, Alexa Cheyne's "Shy Guy" and Ekailee Peel-William with an arcilic on canvas called Born received a merit.

VISITOR CENTRE WORK EXPERIENCE

The Streaky Bay Visitor Centre had the pleasure of having Rehan (pictured below with his winning art work) complete his Work Experience with them. Rehan made a valuable contribution to the Visitor Information Centre during his work experience. His dedication, positive attitude, and willingness to learn were highly appreciated by both visitors and all staff members.

Thank you Rehan!

Hey Streaky Bay community....

You know how we come together like champs for sports and community events? I mean, across all our towns we rally behind a lot of football and netball teams. That's some serious team work!! But guess what? There's another team in our district that's calling out for some hometown heroes: our Volunteer Ambulance teams

Here's the deal....

Right now, we have a group of stellar folks representing all of us on the local ambulance teams. They're absolutely nailing it, but there are times when ambulances from Port Kenny or Ceduna that have to come in because we are short staffed.

Now, think about it: in our district, where we can rally over 300 footballers and netballers every weekend, don't you think we could find at least 5 more amazing souls in our town to help save lives?

So why should you join?

Look, not to get sentimental, but this is about helping our friends, family, and neighbours when they need it the most. Why should a handful of folks carry that load when we can all pitch in.

What's in it for you?

Don't worry, we're not throwing you in the deep end without a life jacket. We've got state of the art equipment, like a shiny new Mercedes VS30 Sprinter ambulance that you even get to drive. Plus, you'll get regular training from real-life registered paramedics and other healthcare pro's!

Oh, and get this. You don't even have to leave your house or your work place for shifts. Your employer will even get reimbursed from SAAS for any time you spend out of your work place. Yep, you read that right - you can be on call from your couch watching your favourite Netflix series. 2 shifts a week would be an amazing contribution and it will take a huge amount of pressure off the current volunteer team members

Ready to step up?

Interested yet?

Absolutely awesome!!! Just hit up Dave on 0428 713 033 and he'll fill you in on how to become the next local hero, or to see where the hero's train and where all the fun stuff happens. You're invited along to our trainings which are every Tuesday evening at 6:30pm - 8:30pm. You'll find us at the Streaky Bay Ambulance Station, located along side the hospital

You rock for just reading this far, and you'll be a community legend if you decide to join us. Just to give you a little heads up, it's not just all serious stuff that we do..... we do fun stuff too! We even get tours of the RFDS aircrafts that land at our airport... how cool is that?!

We'd LOVE to see you there

Our trainings are fun... check us in action...

Early Years SA app

There is a lot of information out there for new parents. The first 5 years of a child's life are critical to their health, development, learning and wellbeing. However, they are also a major learning curve for parents too.

That's why we've created the Early Years SA app. The Department for Education in consultation with Child and Family Health Service (CaFHS), the Department of Human Services, Wellbeing SA, Parenting SA and SA Dental, with resources from organisations such as the Raising Children Network, has launched the app - a go to for trusted information about child health, learning, development and wellbeing from birth to 5 years.

The Early Years SA mobile app complements but does not replace your child's Blue Book.

Your child's Blue Book is where your midwives, doctors and community nurses record important health information for your baby and you will need to bring this to all your child's medical appointments, including health checks, GP or specialist appointments and immunisations.

South Australia is taking the next steps to **REPLACE** *the* **WASTE**

South Australians are committed to the environment and want action on single-use plastic products. By avoiding waste and shifting to reusable or recyclable options, we can ensure the best environmental outcome for our 'clean and green' state.

These products will be phased out by September 2023

Single-use Plastic Plates

Single-use Plastic Bowls

Plastic Stemmed Cotton Buds

Plastic Pizza Savers

ALTERNATIVES

For information on reusable and compostable alternatives visit:
www.replacethewaste.sa.gov.au/alternatives

For more information, go to replacethewaste.sa.gov.au

Australia is having a conversation about the **Voice referendum** being held later this year.

It's about whether we should change the Constitution to recognise the First Peoples of Australia by establishing an Aboriginal and Torres Strait Islander Voice.

The Voice would be an independent and permanent advisory body. It would give advice to the Australian Parliament and Government on matters that affect the lives of Aboriginal and Torres Strait Islander peoples.
