## RODEO BY THE SEA

**Beyond the buck – a celebration of community – Rodeo by the Sea.**

Rodeo by the Sea is gearing up to be a fabulous family event at Streaky Bay racecourse come Saturday 18th October.

Work for the event starts immediately after the last event in 2024, when the committee gather to discuss how they can improve the offer and experience for competitors.

The major sponsors Nutrien West Coast Ag, McEvoy Transport, Ceduna Toyota, SA Tourism, the District Council of Streaky Bay, Kennards, XXXX, Streaky Bay Hotel, BHP, Border Village and Nullarbor Road House, Courella Shearing Clothing, Beck's Sip'n'Save, The Streaky Bay Op Shop, Streaky Bay Tourism and Business Association, Perry's Fuel, Rod's Livestock Nutrition and Port Lincoln 4WD are the enablers that provide the prize money and cover the stock contractors costs. Many of the sponsors automatically volunteered to contribute more than previous years, citing the need for the community to come together after a challenging year for most farmers and competitors in remote communities. The extremes of drought to flooding on the eastern seaboard and everything in-between does take its toll, yet the rodeo provides a chance to come together and celebrate the good things that remain and fosters optimism for the future. A sense of purpose and comradery.

There are many Friends of the Rodeo too that contribute time or provide services that ensure the smooth running of the day.

The event is all about Bulls, Bronc and Barrels and will include a local barrel race where Eyre Peninsula equine competitors have the chance to set their personal best. This year the Poddy Calf ride is back, giving local kids the chance to hop on the back of a steer and see if they can last the magic 8 seconds required to win.

The prize money:

**OPEN EVENTS**: Bull Ride $4,000. Saddle Bronc $3,000. Bareback $3,000. Barrel Race $3,000.
**2nd DIVISION**: Bull Ride $2,000. Saddle Bronc $2,000.
**JUNIOR:** Bull Ride $1,000. Junior Barrel $1,000
**LOCAL:** Barrel Race $500. Poddy Calf Ride $200.

Trophies are awarded to the winners that are made from Abalone Shells from the Great Australian Bight. A fitting tribute to the beautiful Eyre Peninsula. Johnson's Natural Formula are providing the winning barrel racers with a bag of feed and heaps of encouragement.

## RODEO BY THE SEA

This year the Stateliner Bus Service has come onboard to help people get to the rodeo. Stateliner has been providing an essential service to rural communities since 1966. They are offering a great deal for rodeo ticket holders, discounted fares to Streaky Bay, including luggage packages, so you can even bring your push bike! To know more about the discount head to the Rodeo by the Sea website

Another great offer this year is the chance to be part of the Tent Village, a unique camping experience with all the perks. Campers can stay on either the Friday and Saturday night in fabulous tent accommodation, already setup with beds, furniture, including linen and towels, a hot shower and tea making facilities. There will be a games tent too so you can have fun and relax at the venue. Tent hire also includes entry into the rodeo, so do check this out on the rodeo website and book early to not miss out as tents will be limited.

There is also free camping for ticket holders, BYO tent, popup tailer or swag, no caravans, as the town and district has 4 quality caravan and RV Parks available. Just indicate your intent to camp when purchasing tickets.

The incoming Rodeo Queen will be in attendance along with the outgoing Queen Paris Aldenton. Paris has recently returned from the Calgary Stampede, Alberta Canada, where she represented Rodeo Australia. Paris and the incoming Queen will be judging the children's 'Best Dressed Cowboy and Cowgirl' competition. It's a free event where children of all ages up to 15 years are invited to dress up in their Western gear and appear in the main arena at 3.00pm. Every child wins a prize with major prizes for the winners and it's a fun event everyone enjoys.

The Rodeo Queen's will also be in attendance on the Friday night 'Meet and Greet' at the Streaky Bay Hotel to welcome the competitors to town and mix with the locals. The ladies will be selling raffle tickets for the rodeo's chosen charity the Royal Flying Doctor Service. The raffle will be drawn at the rodeo with the first prize being a Swim with the Dolphin experience at the popular Baird Bay Experience valued over $650. Second prize a Super Esky courtesy of XXXX valued over $200 and third prize is a $100 Fuel Voucher courtesy of Perry's Fuel. The Royal Flying Doctor Service is a vital service that all rural and remote Australians benefit from and the Rodeo by the Sea wants to help keep them flying.

A tribute to the local rodeo heroes Johnny McInnis and Robbie Schmidt will be conducted during the event. An appropriate acknowledgement of two people taken way too early, that made a significant contribution on the rodeo circuit. The big digital screen ensures that everyone can enjoy the presentation and rodeo action from anywhere around the arena.

## RODEO BY THE SEA

Competitors are greeted with a ‘Welcome Pack’ with some goodies and information on Streaky Bay so they can make the most of their visit. Be it visiting the museums, talking the historic walk, visiting local landmarks and tourism sites or in simply fishing.

Local group the Black Sea Dragons will be manning a beverage stand at the rodeo and provide an opportunity for visitors and locals to come along and try paddling on Tuesday’s, Thursday’s and Saturday’s on the calm waters of Streaky Bay. It’s a fun thing to do and you get a fantastic view of the township from a coastal perspective.

Since the inaugural event in 2019 the Rodeo by the Sea has attracted over 9,000 attendees. All of which need to refuel themselves and their vehicles as they travel across the Eyre Peninsula and generate incidental spending for our local retailers and businesses. Rodeo by the Sea – so much more than just a rodeo.

Woodall Rodeo Promotions are the stock contractors and the ever-popular character and all round nice guy Ron Woodall will arrive in town early in the week to oversee proceedings, however the committee know he really loves coming here for the King George Whiting.

There will be something for everyone this year with gates opening at 1pm. Amusements for the children, retail vendors with country style clothing and hats, great food vendors and bar facilities. Best Dressed Cowboy and Cowgirl at 3pm in the main arena. The rodeo action starts at 4pm with the Grand Parade, where the crowd is upstanding, hats off and the Australian anthem is sung. Fun activities in the main arena at half time with the popular Comedy Clown Kelpie, who get the audience involved, especially the children. Then there’s live music with Bonkers and the Cuckoos to dance the night away.
So get your tickets, dust of your boots and hat and head to the Rodeo by the Sea for a great community inspired event.

**Tickets are available online:**
**EARLY BIRD:**
Under 5 years Free.
Youth 5-15 years $15.
Single Adult $30.
Family (2+2) $80.

## HOSPITAL AUXILLARY

Meeting held August 12th business arising from those minutes.

Curtains have been purchased for Elmhaven.
Suitable outdoor chairs to be purchased when available.
Shepherds Hut has been cleaned out as much as possible and new lock on door key to be purchased from Karen at community health if needed.

Some discussion on carpark and entry to Elmhaven when it rains drainage build up is a real problem so much so at one stage sand bags were needed. Lesly to look into this matter.

Lesly entered meeting and many issues were aired. Rental housing is a big problem in town for staff when locums and agency staff needed both very expensive items and rents also too high to manage.

Activity coordinator for residents was noted and informed that this is again being advertised and maybe with more hours hoping to attract a suitable person.
Lesly presented an idea for an activity she will take to residents to discuss more on this later.

Has been noted that our volunteer pool is ageing and the need for a gardener between Hospital and Elmhaven be looked into. Letter to Sharon be written regarding this.

Was noted the generosity of Hotel donation to Elmhaven was very much appreciated. Also Community Op Shop donation to request from Community Health for slippery dip replacement was also gratefully received we are so lucky to have support from community in so many arears .
New members are desperately needed if the auxiliary is to continue as we are an ageing group and new ideas etc are always welcome.
Next meeting Tuesday October 14th 2p.m. Hospital Boardroom

## INDOOR BOWLS

The Wednesday indoor bowling competitions continue to attract visitors every week. Recently there were 5 on one week.

When possible all players each week are allotted to different teams. In return this chop and change adds to the ever present good will in the club.

Often one team will win all 3 games— as happened on 13/8 and again on 27/8. The big surprise came on 6/8 when two teams, skippers Raylene and Marlene both won 3 games. Check winning teams below for the shots count winner.

The club was pleased to welcome back John Cash on 27/8 after his long absence on sick leave. John played all 3 games on his return and was presented with a birthdaycake as a late celebration for 6/8. see photo
Cheryl Williams, a member on the “not well” list also celebrated a birthday on 9/8.

The club Christmas lunch date is set on Wednesday December 17 in the Streaky Bay Hotel. Club president Bev. White hopes this early announcement will help members arrange their personal commitments.

Another important date for indoor bowlers is September 30. That is the VERY last date for members to pay their annual subscription to treasurer Geoff Kain. A large number have already paid. This annual fee is transferred to the SBBC and all those listed are registered as associate members of the parent body.

Winning teams were=
30/7 = Roger, Raylene, Connie, Annie (visitor)
6/8 = Raylene, Roger, Thip
13/8= Roger, Sandy, Connie, Jim C.
20/8= Marlene, Geoff, Bev W.
27/8= Shirley, Bev O., Tony

## THE BAY OP SHOP

**‘THANK YOU ALL’**

On behalf of the volunteer team for The Bay Op Shop and The Shed
[14th February 2025 – 20th August 2025]
Carolyn and Dianne would like to express the following:

It is with deep sadness and shock that we acknowledge the sudden closure of The Bay Op Shop and the uncertain future of The Shed. Like many of you, we first became aware of this through the notices posted on the premises.
The original Bay Op Shop began 53 years ago, born from a heartfelt mission: to support the local community, the Streaky Bay Anglican Church, and missions, especially during a time of great hardship and drought across the Eyre Peninsula.
Our team of volunteers sought to revive and continue that vision—serving with integrity, humility, and financial honesty, always aiming to care for and uplift others.
It has been an honour to serve God through the re-establishment and successful running of both The Bay Op Shop and The Shed. What a blessing it was to mix hard work with genuine joy!
One of our greatest pleasures has been meeting so many of you—locals and tourists alike. Whether you dropped by to browse, make a purchase, or simply share a friendly conversation, your presence warmed our hearts. We were encouraged, and we will truly miss you all.
Your kind support not only cheered us on but also enabled us to raise valuable funds for missions and charitable causes—locally, across Australia, and around the world. You helped us keep that original purpose alive.

With our sincere and heartfelt thanks,
Carolyn (Smith) and Dianne (Strack)

## PROBUS

Keep an eye out for our new Probus sign being erected by the Council at the entrance into town. We are grateful to Peter and Jenny who organised this for us, to replace the old one which was dilapidated.

Our guest speaker this month was Wendy who in 2024 along with her husband Robert, set off on a 20-day tour of Turkey. Starting in Istanbul a place rich in history that spans 2 continents, famous for Mosques, bazars and underground Roman water cistern.
They then travelled to Gallipoli to see Anzac Cove and the cemeteryIn Çanakkale, pausing to reflect on the historic battlefields.
There, they explored the spectacular ruins of Ephesus, one of the greatest ancient cities of the Roman Empire. They continued through Pamukkale, marvelling at its dazzling whiteterraces, and stopped in Antalya and the coastal town of Ka, also enjoying the turquoise Mediterranean waters.
In Konya, they experienced , whirling dervishes an 800-year-old tradition of physical meditation standing and spinning around.
One of the highlights of their trip (and the reason Wendy wanted to go there) was Göreme in Cappadocia, famous for its fairy-tale landscapes of chimneys and caves. Here, they took to the skies in a hot-air balloon, drifting over the unique rocks and ancient cave dwellings, leaving them with fantastic memories of underground cities, ancient wonders, sunken cities. Truly amazing. Wendy brought along Turkish delight for us to try and showed us her mats.
An extremely interesting presentation.

Some of our members will be attending the Probus Rally in Cleve next week.
Our meetings are held at the Hotel on every 3rd Thursday of the month at 10.00am.
Following on the 4thThursday each month we have a Happy Chat/coffee (casual get together) morning at various cafes.
If interested please contact S Petty and leave a msg 0428739315

## NATIONAL TRUST MUSEUM

This month we had an emergency call to an electrician due to water leaking onto a power box.

We are grateful to a local builder offering to be paid in instalments for repairs to the machinery shed roof.

A young volunteer moved here from Adelaide. He has done an amazing job of digging the holes for the posts in the shed. Another regular maintenance volunteer had surgery in Adelaide. He is back painting signs and doing light duties.

One visitor was a school dentist here in 1970. A volunteer on that day was a student who would have been treated by him. He said her teeth look good!!

National Trust have been contacted re applying for a grant to repair chimneys on the building. Quote $46,000. Discussion was had ‘do we remove them and block or repair?’ Most would like them repaired to keep the authentic look of the building.

Wednesday mornings year 10 students from Streaky Bay Area School will be coming. We have a few ideas/projects for them to partake in.

Our long term member & researcher Rae Brewster has been suffering poor health. She is recovering with her daughter in Victor Harbour.

Betty McNicol passed away 6 weeks prior to her 100th birthday. Betty had been a museum volunteer. We offer our condolences to her husband Peter & family.

Sandra Desira has been away caring for her mother who passed away 29th August. Condolences to Sandy & family.

On Thursday 28th we had a visit by our local member of Flinders, Sam Telfer accompanied by Suzie Kenny. He was very impressed with our Museum.

Invitation received from District Council re having a stall at the Shell-a-bration 11th October. (Opening of the Jetty)

Annual General Meeting Monday 13th October 10 am. All welcome

# A Seasonal Guide for Streaky Bay Gardeners

September is here and spring has arrived—longer days, warmer soil, and gardens bursting with colour. It's the perfect time to get planting, pruning, and enjoying the buzz of the new season.

**What to Plant in September**

- Leafy greens: lettuce, rocket, spinach
- Root veg: carrots, beetroot, radish
- Warm-season stars: tomatoes, zucchini, capsicum
- Herbs: basil, parsley, coriander

**Tip:** Mulch now to lock in moisture and keep weeds at bay. Use pea straw or sugarcane mulch for vegetables, and gravel or bark for natives.

**Planting Natives**

Spring is the perfect season for planting native species as the soil is warm and there's still good rainfall.

- Grevillea, Banksia, Callistemon (Bottlebrush) – Great for birds and pollinators
- Kangaroo Paw – Striking flowers, perfect for adding colour
- Coastal shrubs – Hardy choices like saltbush and westringia thrive in Streaky Bay conditions

**What to Prune in September**

- Spring bulbs – Remove spent flowers but leave foliage to die back naturally (feeds next year's bulbs)
- Winter-flowering natives – Prune gently to encourage bushy growth
- Shrubs & hedges – Shape rosemary, lavender, and other woody herbs
- Citrus – Light prune after main fruiting finishes to maintain shape and health

Go easy on:

- Spring-flowering ornamentals – Wait until after their blooms fade before cutting back

**Gardening for Wellness**

Spring gardening offers more than just productivity. In September, time outdoors helps you:

- Boost energy with gentle physical activity
- Soak up vitamin D for stronger bones and mood support
- Foster connection with nature as your garden bursts into life

Even 15 minutes outdoors each day can create a sense of calm and balance

## 2025/2026 NEW YEARS EVE FIREWORKS

On behalf of Streaky Bay Community Hotels Ltd, Board of Directors, we are pleased to let the community of Streaky Bay know the annual fireworks will be held.

As a part of this announcement, we would welcome feedback from you about the future of this event. The support and sponsorship received from individuals and businesses is a vital part of this major event in the Streaky Bay calendar. As you may know the Board pays the difference between the cost of the event and the funds raised from business sponsorship and donations.

As the Board has advertised over recent years the funds contributed by the Board to the fireworks are allocated from funds that could be used to support community organisations such as, Streaky Bay Hospital, Elmhaven, SAAS, CFS, SES and sporting clubs, over the past 20 years this has provided in excess of $1million to organisations such as these.

To this end we welcome your **feedback** to assist in making the best decision for our community, the below examples may assist in prompting any thoughts -

*Yes, we would like to sponsor again this year.*
*No, we would prefer the funds to be redirected and for the event not to proceed.*
*If yes, how much would you or your business commit to sponsoring?*

Please email feedback to: **livestock@westcoastag.com.au**

## Draft Cemetery Management Plan

The District Council of Streaky Bay has a number of cemeteries under its care and control, those being – Streaky Bay, Poochera, Wirrulla, Calca, Carawa, Capietha, Chandada and Conglima.

There are other cemeteries located within the District Council of Streaky Bay, however these cemeteries are privately operated or closed, those being – Cungena, Piednippie, Yantanabie and Flagstaff.

A cemetery is a sacred place for all races and religions. Communities are often judged by the pride displayed in their upkeep. Many people, not just locals, become emotive when the cemetery is not maintained in a neat and tidy state and do make complaints to Council. This does not mean each cemetery must have manicured lawns, paved roads, etc., it means a cemetery should be neat and tidy, with easy access and areas clearly defined.

In considering the ongoing maintenance and potential future development of some cemeteries Council has developed a Draft Cemetery Management Plan that describes the future purposes for which the land, and/or buildings will be permitted to be used and the purposes for which any further development of the land will be permitted.

The aim of the plan is to provide for improvements to the amenities and cemeteries in our district for members of the public to enjoy and to improve Council's ability to plan and budget for future maintenance and improvements.

A copy of the plan can be reviewed on our website under latest news:

**Council now invites feedback on the plan by;**

# Council News

## FROM THE CEO'S DESK

**Why Council Can't Turn a Blind Eye to Encroachments**

At first glance, a fence slightly over a boundary line, a garden bed edging onto a verge, or a shed tucked just outside a property might seem harmless. Understandably, these things don't always raise concern at the time they're installed—and often, they're not done with bad intentions.

But when it comes to encroachments onto public land, even something small can carry serious consequences. Once Council becomes aware that a private structure or development has extended onto land under its care and control, we are legally and ethically bound to act.

This is why we simply can't "turn a blind eye," even if a situation has existed for years or hasn't yet caused harm.

Under both common law and local government legislation, Councils have a duty to take reasonable care to keep public land safe for the community. Once Council becomes aware of an encroachment—either through community complaints, routine inspections, or observation—we are expected to consider: Does it create a hazard? Does it obstruct access to public infrastructure? Could someone be injured because of it?

If the answer is yes to any of these questions and Council fails to take action, we could be held legally responsible for any resulting injury or damage—even though we didn't install the encroachment ourselves.

This might seem unfair, but the courts have consistently found that inaction in the face of a known risk can amount to negligence. The law expects Councils to be proactive stewards of public land, not passive bystanders.

Let's take a simple example: imagine a raised garden bed built by a resident on a road verge. Over time, it encroaches onto the footpath, forcing pedestrians onto the road. One day, someone trips, falls, or worse—gets hit by a vehicle. If Council knew about the garden bed and didn't take steps to address it, we may face legal liability for failing to remove or manage the hazard. And beyond the legal risks, the community impact can be significant—injuries, frustration, delays to infrastructure works, and tensions over land use.

We know most encroachments are unintentional. In many cases, property owners weren't aware of their boundaries or didn't realise public land was being used. That's why our goal is always to work collaboratively with residents—through education, dialogue, and, where needed, enforcement.

## FROM THE CEO'S DESK CONTINUED...

But once we're aware of an issue, we can't ignore it. Turning a blind eye may feel like the easier option in the short term, but it undermines public safety, community equity, and our legal obligations.

As a resident, it's important to undertake your due diligence before building near your boundary. Confirm where your property lines lie—particularly if you're fencing, landscaping, or placing permanent structures. If your development unintentionally crosses into Council land, it may become a costly exercise to resolve. This could involve paying for surveying, legal advice, or in some cases, negotiating a land purchase—none of which are cheap or straightforward.

If you're planning new works near your boundary—whether it's landscaping, fencing, or storage—please check with Council first. And if you notice something on public land that doesn't look right, we encourage you to let us know.

When it comes to public land, awareness brings responsibility—and we're committed to doing the right thing, even when it's not the easiest path.

Warm regards,

Damian Carter
Chief Executive Officer
District Council of Streaky Bay

"Little Tribe, Big Vision"

The Ministers and Parishioners of St Augustine's Anglican Church want to apologize to the local Community following the closure of The Bay OP Shop and 'The Shed' last week albeit on a temporary basis.

We are sorry for any inconvenience this closure may have caused but the closure is necessary so we can re-organise our stock and consolidate our operations onto one site - 'The Shed' on the corner of Wells Street and Philip Street, Streaky Bay.

While The Bay Op Shop in Wells Street will close permanently, 'The Shed' will re-open in early October with a Mammoth Sale.

We wish to thank all volunteers and helpers along with those who have donated goods, those who loaned items and, most of all, those who bought goods from either The Bay Op Shop or 'The Shed'. We hope everyone will continue to support us once more when we re-open in October.

We particularly want to thank Paul and all members of the Beck's family, for their generous lease arrangements for the shop at 49 Wells Street.

Please be assured that all monies promised to charities and community groups has been paid and support will continue when operations recommence.

*Rev'ds Bob & Christine Woolner*

# HUGE Tradie BREKKIE

# Consider this

you who forget or you who have never known.

By faith we understand the universe was formed at God's command so that what is seen was not made out of what was visible.

The words of your mouth can also be used to build up or destroy.

Nearly all of Gods promises found in the Bible have been fulfilled, those which have not are going to affect us when they are.

Meanwhile, all God requires of you is to believe in the one he sent.
