Streaky Bay Rallies for Australia's Biggest Morning Tea

Australia's Biggest Morning Tea was held on Thursday, 22nd May at the Streaky Bay Supper Room and brought the community together for a great cause. A fantastic group of local volunteers organised the event, baked delicious goods, set up the space, and made sure everything ran smoothly. Their hard work and generosity helped raise funds for the Cancer Council and created a warm, welcoming morning for everyone who attended.

Here are a few words from event organiser Joanne Barber:

It was such a great morning and we had people arriving half hour early to get a seat!

Our amazing community was so generous donating a huge amount of cakes, slices, bakery items and more to make our day special, and there was no shortage of choice or supply!

Special thanks to our volunteers Julianna Horgan, Karen Trezona, Tracey Moroney, Kerry Johnson, Wendy Carcuro, Helen Tape and Pam Pudney who worked tirelessly serving coffees, doing dishes and everything else in between.

We would also like to acknowledge Streaky Bay Foodland, Elliotts' Bakery, Streaky Bay Hotel, District Council of Streaky Bay for their contributions and assistance with whatever we needed.

Kerry Johnson made us beautiful flower arrangements and the hospital enjoyed these afterwards!

Thanks to all for supporting the Cancer Council, and we hope for an even bigger turnout next year!

COMMUNITY ACHIEVEMENT

Streaky Bay SES Volunteers Recognised During National Volunteering Week

As part of the 2025 National Volunteering Week celebrations, we congratulate the dedicated volunteers from the Streaky Bay State Emergency Service (SES) Unit who have been recognised for their outstanding service to the community.

Andrew and Ruth were each awarded 5-Year Service Certificates, while Clifford received a prestigious 10-Year Long Service Medal in acknowledgment of a decade of unwavering commitment. These awards were proudly presented by SA SES Deputy Chief Officer, Kristy Phelps.

Well done to all award recipients, and thank you to every SES volunteer for the important work you do in keeping our communities safe.

If you're interested in joining the SES and making a difference in your community, visit ses.sa.gov.au/volunteer.

BAIRD BAY TASTING AUSTRALIA EVENT

Thanks from Baird Bay

We'd like to extend our sincere thanks to the Streaky Bay community for supporting our inaugural Tasting Australia event at Bairds. It was a real pleasure to welcome 34 guests form across the region, including Streaky Bay, Ceduna and Adelaide, for an afternoon of celebrating the incredible produce of the Eyre Peninsula.

On a stunning May day at the bay, guests enjoyed a 7-course seafood lunch brought to life by head Chef Calvin Von Niebel and his amazing team, paired with some stand out local wines, beers & gin. By 5pm it was a pretty jolly affair, and some guests gathered around the fire for sunset which was a beautiful close to a special day.

We are so grateful for the warm support and enthusiasm from our local community. We also enjoyed hosting the Beefsteaks & Burgundy fellas this week. If you have a group that likes a social culinary experience and Bairds is a destination that appeals in these quieter winter months, please reach out to Kat and we'll gladly assist in creating something unique for your group.

We look forward to sharing more events like this in the future.

Sincerely from the Bay

SOUTH AUSTRALIAN ORAL HEALTH SERVICES

SOUTH AUSTRALIAN ORAL HEALTH SERVICES
Mobile Dental Services Australia

Promoting Healthy Smiles in Outback Regions of South Australia

Introduction

South Australian Oral Health Services established a fixed dental clinic at Streaky Bay, 23 ALFRED TERRACE STREAKY BAY SA-5680, in association with Mobile Dental Services Australia on 23rd May 2025. At this clinic, we offer dental services at no out of pocket expenses to the eligible children aged between 0-17 years through the federal government's Child Dental Benefit Schedule (CDBS). Children who are not eligible for CDBS are offered free comprehensive dental check-ups and treatment which covers up to $330 subsidy provided by the Department of Health. If child requires any further treatment, we provide services at subsidized cost equivalent to the Medicare prices for CDBS. Eligible adults and elderly individuals are provided treatment through Health care card (concession card). We have also collaborated with La Trobe University, Bendigo to provide dentistry students, placements through our services, so that we can recruit the talented graduates on permanent basis at Streaky Bay, after their placements.

Mobile Dental Services Australia, established 6 years ago, is transforming the landscape of dental care, ensuring that high-quality dental services are accessible to everyone, regardless of their location, and have expanded their services to the regional areas through South Australian Oral Health Services. Through our state-of-the-art mobile units, fixed dental clinic at Streaky Bay and a team of passionate dental professionals, we provide a full range of dental treatments in a comfortable and trustworthy setting.

Our Mission

At Mobile Dental Services Australia, our mission is to provide comprehensive dental care right at your doorstep. We are dedicated to improving oral health and enhancing the quality of life for our patients through convenient and personalized dental services.

Our scale

We have been delivering high-quality dental care and oral health education directly to schools, childcare centres, Indigenous communities, and communities across metropolitan and regional Australia, including rural areas like Streaky Bay, Ceduna, Streaky Bay Area School, Ceduna Area School, Riverland, Berry, Swan reach, Morgan, Blanchetown, Kangaroo Island and several surrounding communities. We believe that everyone deserves access to excellent dental care, and our services are designed to overcome geographical and logistical barriers.

SOUTH AUSTRALIAN ORAL HEALTH SERVICES

Quality

Our team of experienced dental professionals utilizes state-of-the-art equipment and follows stringent protocols to ensure that every patient receives the best possible treatment. The services are provided by our fully qualified, trained and experienced AHPRA registered dental practitioners.

INDOOR BOWLS

An 8 shot score end was noted on 21/5/25 at the S.B.I.B.C. The fours team of Sandy, Shirley, Paul, Joylene achieved the ultimate on the 7th end game 2. see photo

The previous most recent 8 shots were won by triples teams on 26/2/25 and 23/10/24.

During May another oddity was noted. Three bowls all resting on the kitty. On 14/5 at the conclusion of the 5th end game 1, there were 2 bowls from one team and 1 bowl from the opposing team all resting on the kitty. The score was no score,dead end.

Next month, June, the club will celebrate 10 years of bowling in the refurbished premises. During that period there have been many welcomes, a few farewells , lots of visitors but foremost has been the friendship between bowlers. There is always laughter, applause for a good result and encouragement for the not-so-good. All visitors are welcome,the only stipulation is to wear flat soled shoes.

Winning teams were=
May 7= Geoff, Sandy, John
May 14= Julie, Roger, Tony visitor

SACWA NEWS

In lieu of a May meeting, 6 members and 2 guests travelled to Port Lincoln for a 2 night stay in the stunning Tulka House, on the shores of Proper Bay.

On Tuesday, we toured Axel Stenross Maritime Museum, and visited Kallinyalla Garden Centre.

Tuesday evening, we went to see where Aussie Wool Quilts are made, very informative, and a great Australian made product. Look out for them at upcoming markets.

We ate delicious food in Elliston, Port Lincoln and Venus Bay, laughed till our jaws hurt, but most of all, we enjoyed each others company.

Next meeting will be on June 10th, at the RSL Hall from 10am.

STREAKY BAY NATIONAL TRUST MUSEM

We have continued to welcome visitors since our painting. They are impressed with our Museum.

It is a pleasure to be able to assist those seeking family history. One visitor who lived here, now from WA, reminisced regarding her mother working for Dr Geisler. She was very happy to look through the surgery. Others looking into Campbell history & boats who delivered freight to our shores.
We send thoughts to Sandy Desira, who has been away looking after her elderly mother. Volunteers have stepped in to keep information up to date.

As with all older buildings, repairs are constantly necessary. Latest being to stop birds & rain getting into the area where Sentinel office machines are stored. As was said last month, Neil Hall & team do a wonderful job doing repairs to machinery shed. The structure is in need of professional maintenance, a quote will be sought. Carpet in the foyer is worn needs to be replaced. The stone chimneys are in disrepair.

We missed having a celebration of our volunteers during Volunteer Week. Though it will be late, we will acknowledge you at a later time.

Next meeting Monday 16th June 10 am. All welcome.

MENS SHED

We have been visited lately by people from different Men's sheds throughout Australia. These people are normally holiday makers who just like to drop in and see what other sheds are doing.

Two returning visitors were Bradley and Graham Eckert.
While in Streaky Bay to play Lawn Bowls in the Whiting Carnival, Graham and Bradley Eckert visited the Men's Shed.
Bradley is a 35 year old living with William Syndrome, a rare genetic developmental disorder.

This was Bradley's second visit to the Shed. It has become a "must do" activity for him on each trip to Streaky Bay and he has applied to become a member of the Shed.

Bradley assisted several members in producing wooden toys to be sold at Eyre Crafts and was presented with a truck/trailer he helped to produce, assemble, and paint, in recognition of his visit and contributions on the day.

After his visit to the Men's Shed Bradley proudly displayed his craftmanship to all at the Bowling Club, and later at the Hotel. Since arriving back in Adelaide the truck/trailer has been proudly displayed to all members of the Henley Bowling Club and his family and friends, along with glowing tributes to the Streaky Bay Men's Shed.

Bradley's visit was greatly beneficial to the Shed members in raising awareness of William Syndrome, most of whom had never previously known about of it. Picture below shows Bradleys finished item.

From a project side of things, we have been pretty busy.

John O'Brien has made the storage cabinet for the sporting complex. This was mounted on the wall by John and Rob Feibig.

We have three bench seats on the go at present. One is from the grounds of the hospital that needed new slats and a coat of paint on the metal work. Another one was for a customer that needed the metal work sandblasted and new slats cut to size. The third one will be done up and sold. Thanks to Ian Kenny for doing the sand blasting of the metal work.

We have been asked by Cydney Alfred from the council if we can assist with some wicking beds, tables and small garden beds. We have made a start on this project by cutting the shuttles in half.

We are still collecting old reading glasses that can be recycled. They can be dropped off at the men's shed any Friday.

STREAKY BAY LIONS CLUB

Lions Club making its mark in Streaky Bay

Thanks to Gary Hodge and his team of 4 other members there has been a wonderful presence of the Lions Club making its way into Streaky Bay.

After buying and refurbishing their own Donut van, you will now regularly see them selling their incredible Cinnamon Donuts at the Buff Lodge on Sunday afternoons (only when Thip Thai Foods is there as well), the Football Club on Saturdays and at any Community Event they are allowed to attend.

Most people will also know of their world-renowned Lions Christmas cakes that fly out the doors all year round.

The thing about the Lions Club is that "all money raised within the community goes straight back into the community" and we have already seen this happen. When the tragic events of the January Shark Attack occurred the Lions Club funded $3000 towards FREE psychology sessions for the community. Seeing a need and filling it without hesitation. Lions Club is a service club – and doing exactly that, they serve our community when and however is needed at the time.

Later in the year they look forward to being able to purchase medallions for the junior sports teams, using their earnings from the Saturday donut sales and putting it straight back into where it has come from. They are also looking to hold several BBQs to not only fundraise for themselves but also for other community groups who are in need of funding.

The Australian Lions Club and several other individual Lions clubs are looking to donate a large sum of funding to assist with drought measures such as freight for feed. This initiative is still in the early stages, however we look forward to seeing what positive impacts they will make on the community.

In such a short time, the Streaky Bay Lions club have achieved so much, and we are so grateful to have them in and amongst our community serving wherever the need is.

If you would like to join the Lions Club or you know someone who may be interested, please contact Gary Hodge on 0428 891 226.

Gazania *(Gazania spp.)*

Fact sheet

What do they look like?

Gazania is a drought tolerant perennial herb that is supported by a shallow rooted rhizome system. It grows to an average of 30cm tall. Originally from South Africa, the plant has daisy-like flowers ranging in colour from orange, red, yellow and purple. The leaves are dark green-silver and very hairy underneath. They are long and thin and measure 5-10cm long and 3-20mm wide. The tufts appear as a thick mat, displacing other vegetation in the area. The plants flower from June to December and are often seen in disturbed areas such as roadsides and coastal dunes.

The one seeded fruit is egg-shaped with scales and hairs. The plant reproduces from seed, which is spread by the wind and stolons (stems). The seeds are thought to be short-lived. The plant can also hybridise with other subspecies of Gazania (such as *linearis* and *rigens*.)

Why should Gazania be controlled?

A garden escapee, Gazania is commonly found on the Eyre Peninsula. It has become an environmental weed after being widely planted for ornamental purposes. It easily colonises disturbed ground such as roadsides but invades bushland, crops and vineyards. Once established gazania can form dense stands that exclude all other plants. It impacts on native vegetation by competing for moisture and nutrients. It spreads along road reserves, degrading remnant native vegetation. It invades and degrades coastal dune vegetation.

What are my responsibilities?

Gazania is a declared weed under the *Landscape South Australia Act 2019.* On the Eyre Peninsula the transport and selling of the plant is prohibited.

What are the best ways to control Gazania?

Established infestations can be difficult to remove, but a sustained effort can yield good results. The two main methods are physical and chemical control.

Physical control

Seedlings, small plants and small infestations can be grubbed, making sure all the rhizomes are removed. Correct disposal of grubbed plants is essential to prevent further spread of this weed. It is recommended that you first remove and bag the flower heads to prevent seed dispersal and place them in your red rubbish bin for deep burial at the dump. Once the plant is removed it is a good idea to compact the soil back down to prevent further weed infestation. Planting a competitive replacement is advisable to inhibit re-growth from the Gazania. Known sites should be regularly checked for regrowth.

Chemical control

Large infestations of gazania are best controlled with herbicide. Foliage should be thoroughly sprayed to runoff and care taken not to miss any part of the plant.

Here are some of the chemical formulation options:

Spray plants until just wet with a mix of 50ml glyphosate (450g/L) in 10L water.

In bushland areas use 4g of Lontrel®750 plus 25ml Pulse® in 10L water to reduce damage to companion plants.

200g/ha of Lontrel®750 plus 0.25% wetting agent can be used for roadside and overall spraying.

Roundup Biactive (glyphosate (360g/L) at a rate of 100ml to 10L of water can also be used for conservation areas, bushland and other non-crop areas.

In 100L of water mix 250ml of Lontrel advanced with 2L of Bioweed Organic pine oil. Or in 100L of water mix 500ml of Lontrel 300 and 2L of Bioweed organic pine oil.

The best time to apply herbicides is in autumn or spring, but good results can usually be achieved any time the plants are actively growing.

Do you have Gazania?

If you think you have Gazania on your property, Eyre Peninsula Landscape Board staff can provide advice on control and management.

A Seasonal Guide for Streaky Bay Gardeners

What to Plant in June

As winter settles in, June brings ideal conditions for establishing a range of cool-season edibles and hardy native plants in Streaky Bay.

Cool-Season Vegetables and Herbs

Now is the time to plant:

- Leafy Greens – Lettuce, spinach, and silverbeet thrive in the cooler weather.
- Brassicas – Broccoli, cauliflower, cabbage, and Brussels sprouts benefit from the reduced risk of bolting.
- Alliums – Garlic, shallots, and onions are best planted now to establish before summer heat.
- Herbs – Parsley and coriander enjoy the milder winter conditions.

Native and Drought-Tolerant Plants

Local natives such as Grevillea, Hakea, and coastal Eucalypts are particularly well-suited to planting now. Their root systems benefit from cool, moist conditions, allowing them to establish before the drying winds and higher temperatures of summer.

Consider also planting shrubs and young trees in June—cooler temperatures reduce transplant shock and stress.

June Planting Tip: Take advantage of the cool, moist conditions to plant winter veggies like broccoli, garlic, and silverbeet, and establish natives before the summer heat sets in. Don't forget to mulch well and water young plants regularly.

What to Prune in June

Winter is the perfect time to shape and care for many garden favourites in Streaky Bay, while plants are dormant and conditions are mild.

Fruit & Deciduous Trees

- Apples, pears, and stone fruits: Prune now to remove dead wood, improve shape, and encourage strong spring growth.
- General deciduous trees: Thin out crowded branches to increase air flow and create a healthier structure.

Ornamental Shrubs & Hedges

- Avoid heavy pruning of spring-flowering shrubs—you may accidentally remove next season's flower buds.
- Focus on light pruning to tidy up growth and remove damaged or dead wood.
- Hedges and hardy shrubs: Lightly shape if they've finished flowering.
- Kangaroo Paw: Cut back old flower stalks and dead leaves to refresh the plant.

Be Cautious With...

- Spring-flowering natives like Grevilleas and Correas – wait until after flowering for major pruning.
- Wattles (Acacia) – only do light tip pruning. Avoid cutting into old wood as they don't respond well.

FROM THE CEO'S DESK

From the CEO's Desk: Building a Sustainable Financial Future for Our District

As we release the Draft Annual Business Plan and Budget for 2025/2026 for community feedback, I want to take a moment to talk about something that underpins everything we do at Council — financial sustainability.

Every service delivered, road maintained, or community facility improved must be backed by sound, long-term financial planning. That's why our draft plan doesn't just cover the coming year; it supports a broader strategy to ensure the District Council of Streaky Bay remains financially sustainable well into the future.

This year's Draft Annual Business Plan proposes a general rate increase of 5.5%. While we understand any rise in rates impacts households and businesses, this step is necessary to stay aligned with our Long-Term Financial Plan (2025–2035). Our goal is clear: avoid placing the burden of today's infrastructure and service demands on future generations.

The proposed budget is near break-even — with a minor operating deficit of just 0.38% — and includes a healthy asset sustainability ratio of 127%. This reflects our commitment to renewing infrastructure when it's needed and avoiding costly deferrals that create larger financial problems down the line. We're also aiming to maintain a net financial liabilities ratio within safe bounds, another indicator of fiscal health.

These are not just numbers — they are the outcomes of disciplined financial management. They mean we can continue to deliver the services our community relies on every day, while also making investments that strengthen the district's future.
Some of the key projects proposed include:

- Restoration of the Haslam Jetty — preserving a valuable piece of our heritage
- Over $2 million allocated to sealed and unsealed road upgrades across the region
- Planning and upgrade works for community spaces like Doctors Beach and the Poochera Playground
- Stage 1 of the Montgomerie Terrace Shared Use Path to promote safe, active transport
- Improvements to stormwater infrastructure and waste facilities to build resilience

In delivering these projects, Council staff are also actively working to reduce the impact on ratepayers by applying for grants wherever possible to help offset costs. Several of the highlighted initiatives already have grant funding applied, underscoring Council's ongoing effort to leverage external funding to deliver community outcomes.

FROM THE CEO'S DESK CONTINUED...

We know that residents want to see responsible spending — and this plan reflects just that. It's about making every dollar count, while investing wisely and planning ahead.
Financial responsibility may not grab headlines — but it is the foundation of everything we do.

Warm regards,

Damian Carter
Chief Executive Officer
District Council of Streaky Bay

NEW COMMUNITY FACEBOOK NOTICEBOARD

“Your Streaky Bay Noticeboard - Events & Community News”

The District Council of Streaky Bay is excited to announce the creation of 'Your Streaky Bay Noticeboard - Events & Community News' Facebook Group.

We know how important it is to have a space where locals can connect, especially as other platforms have gone quiet. That’s why the District Council of Streaky Bay has created this new noticeboard — a place to share, discover, and talk about everything happening in and around our beautiful district.

Whether it’s community events, business updates, council news, fundraisers, or family-friendly activities, this group is here to help keep Streaky Bay and the wider district connected, engaged, and informed.

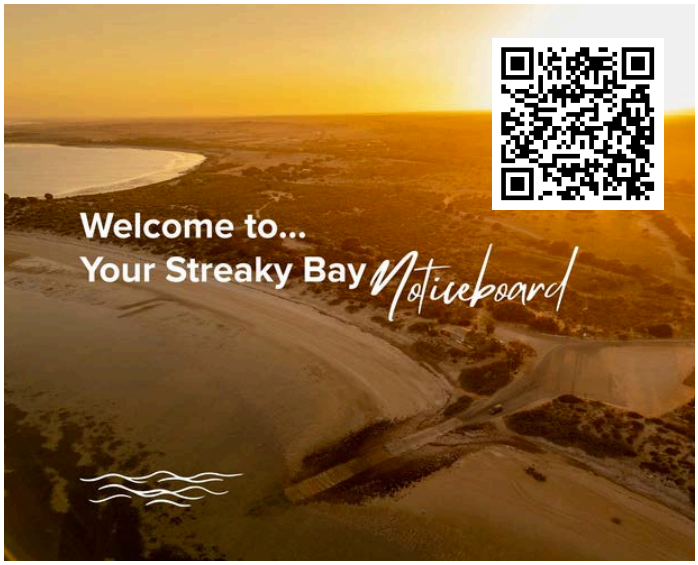

Group Purpose

- Upcoming Events: Markets, fundraisers, music gigs, community meetings, workshops, and sport matches.
- Community Announcements: Local updates, road closures, lost and found, callouts for volunteers.
- Positive News: Achievements of locals, acts of kindness, local business milestones.
- Support Requests: Help needed with local projects, school events, or community causes.

If you're a local business without an online presence, reach out to the Streaky Bay Visitor Centre at info@streakybay.sa.gov.au or call 8626 7033, they will be happy to help you share your news.

Please help get the word out by joining now & sharing with your friends:
https://www.facebook.com/groups/yourstreakybaynoticeboard

Please note: The views shared in this group are those of individual members and do not represent The District Council of Streaky Bay.

SHARK MITIGATION UPDATE

We announce that Phase One of our shark mitigation efforts at Granites is now complete.

In collaboration with Surf Life Saving South Australia and the South Australian State Government, this phase introduces several critical safety enhancements aimed at improving public awareness, preparedness, and response in the event of a shark sighting or emergency.

What’s Been Implemented:

1. Shark Sighting Community Board & Flagpole System
A new, purpose-built Shark Sighting Community Board and flagpole system have been installed to replace the low-tech signage previously used. This new setup provides a reliable, central source of information for people in the event of a shark sighting.
This is a community-led initiative—we encourage locals and visitors alike to help keep the board updated and accurate.

2. Shark Awareness Signage
Clear and visible shark awareness signs have been placed around the area to inform those who may not be aware of recent shark activity. These signs serve as a reminder to always be mindful of your surroundings and stay alert while enjoying the water.

3. Trauma Kit – Strategically Located
A specialised trauma kit has been installed at the bottom of the staircase. Unlike a standard first aid kit, this kit is custom equipped for use in a traumatic event. Please ensure you’re familiar with its location and use it responsibly if needed.

What’s Next?
This is just the beginning. Further installations and safety upgrades are planned for additional locations.

Youth Activities

Alcohol and Drug Foundation
Local Drug Action Team Program

Pop-Up Gaming Zone at the Visitor Centre

From 5th to 9th May, the Streaky Bay Conference Room was transformed into a gaming zone, complete with an Xbox 360, PS5, and Nintendo Switch projected onto the big screen, surrounded by bean bags and colorful LED lighting.

Kicking off on Monday's student-free day, kids were invited to drop in and enjoy the space. For the rest of the week, the gaming zone was open from 3:30pm to 5:00pm each afternoon, giving students a perfect way to unwind after school. With the weather cooling down, it was the ideal hangout spot to relax and have fun with friends. In addition to video games, there was plenty on offer for everyone, including board games like Eyre Monopoly, Connect 4, Guess Who, LEGO, and more!

This event was proudly funded by the Alcohol and Drug Foundation (ADF), and we're incredibly grateful for their support in helping us create a safe, fun, and engaging space for young people in our community.

We loved putting this together and are currently exploring the idea of making the gaming zone available one afternoon a week on a regular basis. We're also looking into the possibility of hosting pop-up gaming zones in some of our smaller communities across the district—bringing the fun to more kids and families in the region.

A big thank you to all the kids and parents who came along and made it such a great week!

Skate & Scoot Event

What a great day at the free Skate & Scoot Event! 20 local kids came along to the Streaky Bay Youth Precinct to take part in hands-on skate and scoot sessions with Darryl and Shaun from Roll All Day, who travelled from Adelaide just for the event.

It was awesome to see some of the kids from last year return, and even better that they recognised the coaches and were excited to learn from them again.

Everyone got involved, tried new skills, and had fun riding together. There were plenty of laughs and a lot of progress throughout the day.

Big thanks to Darryl and Shaun from Roll All Day for making the trip and running another great session. We're already excited for the next one!

Draft Annual Business Plan and Budget + Fees & Charges for 2025/2026

Notice is hereby given that the District Council of Streaky Bay has prepared the Draft Annual Business Plan and Budget + Fees and Charges for the financial year 1 July 2025 to 30 June 2026.

Copies of the Draft Annual Business Plan and Budget + Fees and Charges for 2025/2026 are available on the Council's website at www.streakybay.sa.gov.au or by contacting the Council Office. Any person wanting to make a submission on the Proposed Annual Business Plan and Budget must lodge their submission by 5.00pm Friday 13 June 2025.

We want your Feedback!

- Email: dcstreaky@streakybay.sa.gov.au
- Post: PO Box 179, Streaky Bay SA 5680

Note: submissions are made available to the public in full (including any personal information).

Any person making a submission is entitled to request (in the submission itself) to be heard in support of the submission.

All submissions will be received, heard and considered at the Councils Ordinary Meeting on Tuesday 17th June 2025 in the Council Chambers, 29 Alfred Terrace, Streaky Bay starting at 9.30am - 10.30am. If no submissions are received, Council will consider whether to amend the or adopt the Budget.

RURAL PROPERTY ADDRESSING

We need your help!

Is your sign faded, disappeared or you don't have one?

Your assistance in keeping these signs visible, clear of vegetation and legible, will help our emergency services and other service providers find your property!

It has become apparent there are many illegible signs that may potentially impede the time our emergency services will take to find your property! Give them a hand and ensure your sign is clearly identifiable!

It is the property owners' responsibility to ensure property address signs are maintained, including the cost to replace.

If you need your sign replaced please contact the Council Office.

Got a question? Call 08 8626 1001 now! Don't waste valuable time!

DOG REGISTRATION

REMINDER

Not your Land Rover.... your Dog "Rover".

Dog and cat registration renewals 2025/2026 will soon be available for processing through Dogs and Cats Online from 24th June 2025. Renewal notices will be sent out to owners in the first week of July 2025.

As in prior years, **registration renewals for dogs must be completed before 31st August 2025**. Every dog over 3 months of age must be registered. And please make sure your dog or cat is microchipped. Be aware that penalties will apply for not complying.

Dogs and Cats Online is the statewide online system used by all South Australian councils for dog, cat, and breeder information, and YES you can register your cats as well, and we encourage you to do so as this can make all the difference when we try to safely return home an "escaped" dog or cat.

https://dogsandcatsonline.com.au

Of course, if you have any difficulty accessing and using Dogs and Cats Online, then our friendly council staff can assist you.

Emily's Choc Chip Paleo Cookies

Ingredients

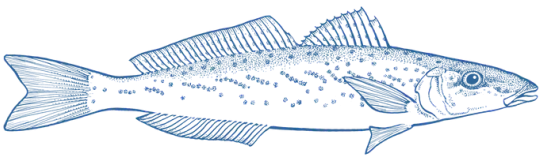

- 2 cups almond meal
- ¼ tsp sea salt
- ½ tsp baking soda
- ¼ cup coconut oil (melted)
- 3 tbsp maple syrup
- 2 tsp vanilla extract
- ½ cup dark chocolate chips

Instructions

1. Preheat oven to 180°C.
2. Line a baking tray with baking paper.
3. In a medium bowl, mix together almond meal, sea salt, and baking soda.
4. Add melted coconut oil, maple syrup, and vanilla extract. Mix well.
5. Fold in dark chocolate chips.
6. Spoon rounded tablespoons of the mixture onto the baking tray.
7. Gently press down each cookie to flatten slightly.
8. Bake for 8–9 minutes, or until cookies are golden.
9. Allow to cool completely, then store in the fridge or freezer.

.

Glenyse's Cream Cake

Ingredients:

- 2 eggs
- Cream (see method)
- ¾ cup sugar
- 1 cup self-raising flour
- A dash of vanilla

Instructions:

1. Break 2 eggs into a measuring cup.
2. Fill the cup with cream to make a total of 1 cup (eggs + cream together = 1 cup).
3. Pour into a bowl, add sugar, and beat well.
4. Stir in flour and a dash of vanilla.
5. Spoon into loaf pans.
6. Bake in oven (approx. 180°C) for 12–15 minutes or until golden and springy.

Variations:

- Small Cakes – Use muffin tins instead of loaf pans.
- Jelly Cakes – Cut small cakes in half, fill with cream, dip in jelly and roll in coconut.
- Mini Lamingtons – Cut into cubes, dip in chocolate icing, roll in coconut, and fill with cream.
- Jam Splits – Halve small cakes, fill with jam and cream, and ice the tops.
- Loaf Cake Add-ins – Mix in sultanas, chopped dates, coconut, and/or cherries for extra flavour.
