## MESSAGE FROM THE MAYOR

### TRAVIS BARBER

On behalf of the District Council of Streaky Bay and the community, I take this opportunity to welcome you. I hope that you enjoy living, investing, or doing business in our region as much as I do. After returning to my hometown with my family after many years away, it is a decision we have not regretted, and I sincerely hope you don't either.

Council recently adopted its strategic plan with a vision to be the most livable community on the Eyre Peninsula, aspirations we are working hard to achieve. I encourage you to contact Council or Elected Members should you have any questions.

## ABOUT OUR DISTRICT

The town of Streaky Bay is the main urban service centre of the district, with the smaller towns Wirrulla and Poochera as local service centres. Haslam, Sceale Bay, Baird Bay, Yanerbie, Eba Anchorage, Perlubie Landing and Fishermans Paradise are small coastal settlements, which provide a focus for recreational fishing and holiday accommodation.

It is intended that Streaky Bay will remain the centre for commerce and industry whilst providing the main health, educational, community and shopping services of the district.

The District's core economic pillars are agriculture, aquaculture and tourism, with industries such as energy resource development and mining, increasingly providing potential diversification of our industrial base.

The District Council of Streaky Bay is located approximately 700 kilometres north-west of Adelaide. Sitting on the western side of the bountiful Eyre Peninsula, our generally flat and fertile inland agricultural landscapes of Calca and Mount Cooper, lead to spectacular long sandy beaches, large dune formations and the rugged cliff lines of our pristine coast.

## DOING BUSINESS IN OUR DISTRICT

The District Council of Streaky Bay is a great place to do business whilst enjoying the relaxing, laid back coastal lifestyle of the Eyre Peninsula.

Council is supportive and encourages all new businesses - it has a dedicated web page [www.streakybay.sa.gov.au/business-directory/small-business-information](http://www.streakybay.sa.gov.au/business-directory/small-business-information) which will provide you with all the details and information links about local business and support in the district.

If you have further enquiries please contact the General Manager of Prosperity, Penny Williams on (08) 8626 1001.
