THE BAY COMMUNITY OP SHOP

Bay Community Op Shop gives $57000 back to the community

The Bay Community Op Shop has been operating for three years now and thanks to the wonderful support from the community we are continuing to thrive.

During last year we relocated to half of the old Beta Electrical store and on September 2nd opened our doors to the public. After only 9 months in the new location and thanks to the dedicated team of girls who sort and organize donations, we now have a shop that draws many comments from travellers and a storage area that is very well organized.

We recently met to distribute our profit back to the community and have been able to give an amazing $57000 back to a wide range of groups within the district. Unfortunately, we had requests for more than the money available so had to make adjustments to some.

Recipients of funding were:
Streaky Bay school canteen, Longest Table Lunch, SB Dragon Boat, Lions Club, Pistol Club, Arts Up, Rodeo, Senior Citizens Homes, NAIDOC Week, Karcultaby Area School, SB Parents and Friends, Occasional Care, Wirrulla Boxing, Lodge, Medical Library, RSL, SBMC, Poochera Sports Club, SB Sports Complex, Sceale Bay Community Group, Powerhouse Museum, Calca Hall, Hospital Auxillary, In Step Dance, Whiting Carnival, Poets, West Coast Hawks F&N Club, Mark Visser, Food Vouchers, Racing Club, Museum, Chandada Memorial Hall, fireworks, Streaky Sounds, trauma counselling.

Since opening the Bay Community Op Shop in 2022 we have given over $121000 back to the Streaky Bay district. What a fantastic achievement and such a positive way to support different groups within the community.

We also held our AGM on June 19th and the following people are now the new committee:

President – Sue Montgomerie,
Vice President – Judy Smith,
Treasurer – Caroline Lange
Assistant Treasurer – Julie Wild
Secretary -Julie Wild.
Committee members – Denise Brougham, Chris Williams and Wendy Carcuro.

We sincerely thank Annette for the excellent job she has done over the past 18 months and wish her all the best. There is a photo included but unfortunately Wendy is absent.

THE BAY COMMUNITY OP SHOP

Thank you to all our dedicated volunteers. We couldn't have done this without you. Thank you also to the community for the donations that you keep bringing us. We really do appreciate your support. Keep them coming. We have sold so much and need to keep stocking the shelves.

Our opening hour are 10 am – 2 pm Monday to Friday and 10 am – 12 pm Saturday and Sunday.

If you would like to volunteer to work in the shop just talk to Sue or Julie. We do have some spaces available. We look forward to seeing you in the shop soon.

EYRE PENINSULA FARMER SUPPORT DAY

Nearly 100 farmers from across the Eyre Peninsula came together at the Streaky Bay Racecourse on Friday 20th June to collect more than 130 tonnes of drought relief sheep pellets, thanks to a united community response led by the Save Our Sheep campaign.

The initiative, started by local farmer Suzie Kenny in April, called for urgent help as ongoing drought made it impossible for many to feed their hungry sheep. That call was answered by the Glenside, Richmond, and International Lions Clubs, who donated $100,000 to pay for the production of sheep pellets by Cummins Milling.

The Rapid Relief Team (RRT) partnered with Lions and Save Our Sheep to help run the event. They organised the distribution of the feed and served more than 150 free meals to farmers and their families. The menu included bacon and egg rolls, RRT's famous burgers, freshly made coffee, and donuts.

RRT's Mick Dunn said the organisation wanted to boost morale:

"We can't end the drought, but we can let farmers know that we see their struggle, we appreciate their sacrifices, and we are here to help them through these challenging times."

Suzie Kenny described the day as emotional and "much needed," saying it came at a critical time.

"We moved at rapid speed to get this happening as soon as the Lions Clubs funding came in, to get that support out to the farmers as quickly as possible," she said.

Although some parts of the region have seen recent rain, dry soil means pasture growth is still limited. Suzie said the feed pellets would help farmers make it through until grass begins to grow again.

Only two-thirds of the donation was used for the Streaky Bay drop, meaning more pellets will be shared with other registered farmers in the coming weeks. Suzie thanked the Lions Clubs and especially Malcolm Schluter from Glenside, a former Eyre Peninsula resident, for helping get the campaign off the ground.

The event also brought work to local transport, equipment and logistics businesses, a much-needed boost during tough times.

"Even if it's just for one day, by supporting our farmers we are also supporting all the businesses that rely on the livestock industry on Eyre Peninsula," Suzie Kenny said.

EYRE PENINSULA FARMER SUPPORT DAY

Although the drought crisis is ongoing and challenges remain, Friday's event offered farming families a much-needed moment of connection and genuine relief during these difficult times.

A local farmer who attended the event shared a few words on behalf of the farming community:

A big thank you to Suzie Kenny and the Rapid Relief Team for their amazing effort in getting the sheep pellets distribution morning organised. Also, to the Lion's Club in Adelaide and Cummins Milling.

For many local farmers, it was a very humbling experience to receive the pellets, as most were looking for recognition of the drought and the hard times primary producers and local businesses were facing. To be greeted by smiling faces, most of all were volunteers of a younger generation, all acting in a very professional manner caught a lot of us off guard. The support they gave us on the day was a memorable moment.

It definitely narrowed the urban/country divide that we have experienced over the years.

Congratulations to everyone involved in this event.
A big thank you from our local community.

COMMUNITY ACHIEVEMENT - SAAS

Lawrence – 54 Years of Service, Spirit, and Soil

In 1971, a young man from Chandada named Lawrence began a journey that would span over five decades, touching lives, saving others, and embodying the quiet, steadfast spirit of true community service. His first steps into the world of ambulance volunteering began with St John Ambulance, later transitioning to the South Australian Ambulance Service (SAAS) in 2001. Through it all, Lawrence has remained the same dedicated, humble, and utterly reliable presence we've come to know and cherish.

Lawrence's call to service wasn't born from ambition, but from a moment of personal experience. Driving between Chandada and Streaky Bay to visit family, he came across a vehicle accident on the highway. Confronted by his lack of first aid knowledge, he realised something had to change—and so began a lifetime of learning, responding, and helping.

Across five decades, Lawrence has always done his fair share—and then some. For years, he quietly committed to Tuesday and Friday night shifts, never making a fuss, just showing up. Dependable. Present. Ready.

His proudest moment came on Australia Day 2022, when he received the Ambulance Service Medal at Government House, marking 50 years of selfless service to the community—a recognition he accepted with quiet pride.

But of course, no tale of Lawrence would be complete without the lighter moments, from the time he reversed the ambulance into the roller door (a tale he confessed to with a sheepish grin) to his mysterious punctuality—showing up to training at exactly 7:00 PM every week, despite being reminded countless times it starts at 6:30. Dressed in his greens and always carrying his oversized pencil case, the contents of which remain a well-guarded secret, Lawrence remains a true character in every sense.

He's hit more roos on night shifts than he cares to count. And ever since we changed uniforms, he's proudly worn the same old uniform pants, despite constant reminders to order the new ones. "Yeah, I know Dave," he says. "I'll do it next week." And he never did.

When he's not out with the ambulance, he's out on the land—driving in and out of town to help the lads on the farm. And if it's a quiet day, you'll find him at home with the one who's made it all possible—Mary.

Now let me take a moment to speak directly to Mary: Thank you. Because behind every strong volunteer, there is someone even stronger supporting them. Mary has been Lawrence's rock—his vertebra behind the spinal cord. She has protected, supported, and helped sustain his ability to serve for over 50 years. And to Mary, we say a heartfelt thank you.

Lawrence has seen so much change over the years. Vehicles, equipment, technology, and the people. But one thing has never changed—his heart. His commitment. His place in this community.

Born a farmer, and proud to remain one, Lawrence has spent his life growing things: crops, community, and the quiet legacy of service.

From all of us—thank you Lawry.

COMMUNITY ACHIEVEMENT - SAAS

Denise Little Bio – 35 years service

Denise's ambulance volunteering journey has been marked by a strong commitment to her community in Port Kenny for an incredible 35 years. Since April 1st, 1990, Denise has served as a volunteer first responder, beginning her journey in a modest CFS shed with nothing more than a first aid trailer and a commitment to helping others.

As one of the original first responders in Port Kenny, Denise witnessed—and was instrumental in—the advancement of local emergency services in the community. From humble beginnings, she worked through the transition from a first aider wearing a CFS polo shirt to responding in a fully kitted up station wagon and a green jumpsuit. Fast forward to today, were she proudly operated out of a renovated kindy garden complete with a custom-built 'drive-through' ambulance garage.

Denise's dedication goes far beyond occasional call outs. For decades, she has routinely taken on the night shift 5 to 6 nights a week, providing tireless support to Port Kenny and surrounding communities. Her calmness under pressure and unwavering reliability have made her a pillar of trust in times of crisis.

Beyond her emergency response role, Denise is a valued member of the Port Kenny Progress Association and lends a hand with the local community mail run. Her community involvement reflects a deep-rooted commitment to the well-being and connectivity of her hometown.

While Denise may not claim to be a whiz with computers —and she's the first to let you know about it—her practical wisdom and hands-on spirit have always been what truly matters. When she's not on duty or helping in the community, you'll find her enjoying a slice or three of cheesecake, her well-earned indulgence and signature favourite.

Denise's story is one of quiet heroism, community pride, and the kind of long-term commitment that keeps a small community together. Denise, thank you for 35 years of dedicated volunteering to the Ambulance Service and Port Kenny community.

NAIDOC WEEK COMMUNITY DAY EVENT

Streaky Bay NAIDOC Community Event a Great Success

On Monday, 1st July, the Streaky Bay community came together to celebrate NAIDOC Week with a vibrant and meaningful event that brought people of all ages and backgrounds together in the spirit of unity, culture, and celebration.

The day was filled with cultural performances, community activities, and moments of reflection that honoured the rich history, culture, and achievements of Aboriginal and Torres Strait Islander peoples. The strong turnout and enthusiastic participation made it clear just how valued and important these celebrations are within our region.

A heartfelt thank you goes out to our generous sponsors and the many community organisations who contributed to making the event such a success. Your support is what makes days like this possible and helps bring our community closer together.

Also Acknowledging the Streaky Bay NAIDOC Committee for their dedication and hard work in organising not only yesterday's event, but also the exciting activities still to come throughout NAIDOC Week. Your efforts have created an opportunity for connection, education, and celebration across our community.

We look forward to seeing everyone at the upcoming events as we continue to celebrate this year's NAIDOC Week theme and the spirit it represents.

Tayla Westley (Ranger National Parks and Wildlife and NAIDOC committee member), Elle Miller (NAIDOC Committee Member), Cecelia Cox (Connected Beginnings Ngura Yadurirn Children and Family Centre)

The event included a range of interactive stations where attendees could engage with and learn about the rich cultures of Aboriginal and Torres Strait Islander peoples

INDOOR BOWLS

Ten years. The mile stone reached by the Streaky Bay Indoor Bowls Club in June 2025.

Celebration for ten years of indoor bowls play in the current clubhouse on the grounds of the Streaky Bay Sporting Complex.

On June 18, 2025 a large chocolate cream cake was centre piece for the 10 year celebration. see photo

Indoor bowling activity in Streaky Bay commenced in 1973 as a ladies only sport. The group occasionally went into recess but always resumed with additional numbers. Men joined later and when the Montgomerie Terrace venue closed in December 2014 the group faced a mighty challenge to find alternative premises.

Months later the old sports club building became available but that had been used as a workshop and was in a terrible shambles. Rubbish and dust was everywhere, the cement floor badly pitted.

Indoor bowling demands a clean and level floor on which to place the felt playing mats.

Volunteers worked days, weeks and finally a general meeting was called for 3rd June 2015. Fifteen supporters attend. Business discussed covered future play schedule, extra equipment purchases, fund raising. The early months would be busy ,busy.

Today in a well equipped comfortable clubhouse three games of eight ends are played every Wednesday afternoon. The friendly chatter and companionship is enjoyed by all participants. Club member number is 28, Tony Case the last to join. Visitors are often welcomed.

Four members have also enjoyed recent birthdays. On 28/5 there was a cake for Joylene 15/5, and on 18/6 birthdays wishes for Patrice 12/6, Nicki 14/6, and Sandy 17/6 see photos.

There were clear 3 game winners on 18/6 and 25/6 ; yes a couple were close scores but nonetheless winners. Each of the previous 3 Wednesdays a shot count was needed.

Winning teams were=
May 28 = Julie, Jim P., Paul
Jun. 4= Darryl, Geoff, Nicki, Jim C.
Jun. 11= Raylene, Sandy, Marlene
Jun. 18= Roger, Thip, Tony
Jun. 25= Bev W., Roger, James, Sandy Sent from my iPad

MENS SHED

The Men's shed has welcomed two new members in Terry Walker and Jeff Kenny over the last couple of weeks taking our membership to 20.

Some projects we have been working on have now been completed.

A rocking horse for Jack McInnes is complete thanks to Mark Elliott from Streaky Bay Crash for painting the horse, and to Peter Elyward and Rob Fiebig for adding the leather work and the extras and to Micheal Sharplin from Streaky Bay Upolstery for doing the reins for it. This horse has been handed down through Jacks family. I am sure kids will get many hours of pleasure from it. (see pic below)

Another completed project is a bench seat. (see pic below)

We have restocked our items in the craft shop. There are some wooden dogs, fish scalers and some bird nesting boxes in there. The craft shop is worth a visit.

The shed has been asked to refurbish, an old kids garage that once again has been handed down through the generations.

With the cold weather upon us we have bags of kindling available for $5 per bag.

We also have bags of sawdust if there is anyone out there looking for some.

The Men's Shed can offer to sharpen knives at a cost of $5 per knife.

PROBUS

Remembering Vaudavile

Our Newest member Wendy Francis who has returned to Streaky Bay after many years, gave a delightful and nostalgic talk about her father, Jimmy Walker, a talented performer from the vaudeville era. 1920-mid 70s Jimmy was a skilled ventriloquist who made his own

ventriloquist doll, bringing laughter to many audiences. Wendy shared memories of her parents performing the classic Punch and Judy show, a family tradition filled with fun.

The entire family was involved in the act, using simple but clever props like slap sticks and coconut shells to create sound effects. Their performances took them from Streaky to country towns across Australia and even overseas, spreading cheer wherever they went.

Wendy's presentation included audience participation, with members joining in to try out some of the old songs and jokes, adding to the laughter of the day. Her talk was a lovely tribute to her family who were dedicated to making people smile. Her father always said to Wendy and her siblings
'Never let comedy Vaudeville die'
A very enjoyable talk indeed!

Community News

STREAKY BAY NATIONAL TRUST MUSEUM

Carol and Narelle attended the National Trust meeting held in Tumby Bay. Members from Eyre Peninsula National Trust Museums were in attendance. It is a great opportunity to share experiences, also what is new with South Australia National Trust. Next meeting 16th April 2026 in Cowell.

We appreciate the donation of $2000 from Streaky Bay Community Op Shop. This will be used to cover repairs to the area holding the Sentinel Office equipment. (to keep the birds and rain out) And extra funds required to install 2 x Defibrillators.

As with all older buildings, repairs are constant. We have a quote of $6000 to make the machinery shed safe. The original fire place flue's on the roof may have to be removed. To repair will cost around $40,000. Carpet in the foyer is in disrepair.

Thanks Neil Humphrey Morgan for keeping us up to date with History on social media. Maxine Johnson for going through old Sentinels & finding stories. To all other volunteers, we cannot function without you.

We have people enquiring about their family history. It is a pleasure to help them. We are fortunate to have copies of books collated by local historians to enable us to assist families with information.

Volunteers are actively completing their 'working with children' online certificates.

Omitted from last month. We had pleasure loaning uniforms & memorability to RSL for ANZAC day.

Visitors comment on what a wonderful museum we have.

Next meeting Monday 4th August 10 am. All welcome

SACWA NEWS

5 members met at RSL Hall on June 10th where we remenisced over our trip to Port Lincoln in May. We wished 1 member a happy birthday and she was given a gift. On July 8th, we are holding a soup fundraiser at the Institute Supper Room where we will be selling Pumpkin, Chicken or Pea & Ham Soup between 10am and 12pm.

Next meeting will be on the 08/07/2025 and be hosted at the home of Sussan Bignell.

Council News

FROM THE CEO'S DESK

From the CEO's Desk: Marking NAIDOC Week and Reflecting on Inclusion

This week, the District Council of Streaky Bay acknowledges NAIDOC Week 2025 alongside communities across Australia — a time to reflect on the history, cultures, and ongoing contributions of Aboriginal and Torres Strait Islander peoples.

NAIDOC Week serves as a reminder of the value of inclusion and understanding — of taking time to hear different perspectives, share stories, and recognise the cultural heritage that continues to shape our communities. In a region like ours, where local connections are strong and enduring, supporting opportunities for shared learning remains a positive step.

Inclusion can take many forms. At its core, it is about creating space for everyone to feel welcomed and respected in community life. For Aboriginal and Torres Strait Islander peoples, this may mean being acknowledged as part of our shared civic landscape — not just during events, but as part of everyday experiences. When people feel included, communities tend to benefit from a greater sense of connection and collaboration.

This year, Council has assisted a number of local groups and organisations in delivering NAIDOC Week activities across the district. These locally driven events have provided opportunities for residents to come together in a spirit of celebration and reflection. One of the upcoming highlights is a Council-supported movie night with a NAIDOC theme — designed as a relaxed and enjoyable evening for families and community members.

Council has also recently started flying the Aboriginal Flag from the secondary flagpole on Bay Road at the Visitor Information Centre. This ongoing gesture is a small but visible way of acknowledging the importance of building mutual understanding and cultural awareness in our public spaces.

We've appreciated the thoughtful comments shared by members of the community during the week. Many people noted how meaningful it was to see local activities taking place and how visible signs of cultural respect contribute to the character of our district.

While NAIDOC Week provides a timely opportunity to reflect, Council recognises the ongoing value of encouraging inclusive practices and learning from one another. These efforts, however modest, help support a welcoming and respectful environment for all.

FROM THE CEO'S DESK CONTINUED...

Thank you to everyone who participated in this year's events and to those who continue to support a more inclusive district in everyday ways.

Warm regards,

Damian Carter
Chief Executive Officer
District Council of Streaky Bay

STREAKY BAY COMMUNITY HUB

Over the years, we've received numerous requests from service providers seeking a space to operate in Streaky Bay. In response, last year we took a fresh look at how our existing Council buildings could better serve the community.

We undertook some well overdue maintenance to one of our buildings at 50 Alfred Terrace—repainting and replacing the flooring—to make it a welcoming, functional space for visiting service providers and community use.

Thanks to the incredible support of the Streaky Bay Dragon Boat Club, who have graciously shifted their equipment to a purpose-built shed, this facility is now available for daily hire and flexible use.

In the coming weeks, we'll be announcing a number of service providers who will begin operating out of the new Streaky Bay Community Hub, meaning less travel and more access—right here in town!

While we acknowledge the building is small and not purpose-built, this is a positive first step in offering more connected services and community space.

If you're interested in renting the venue, please contact our Visitor Information Centre staff at 8626 7033.

Stay tuned for more announcements about the services you'll soon be able to access locally—without leaving Streaky Bay!

PUBLIC NOTICE

Kerbside Waste Collection

The District Council of Streaky Bay wishes to inform all residents that we will assume responsibility for Kerbside Waste Collection effective:

Monday, 30 June 2025.

Bin Collection Days

Unless you have received direct communication indicating otherwise, your current bin collection day will stay the same.

Bin Placement Guidelines

To ensure your waste is collected without disruption, please adhere to the following:

- Place your bin out the night before your scheduled collection day, as collection times may vary. If you
- are unable to do so the night before, please ensure your bin is placed at the kerb by no later than 6:00 AM on the day of collection.

Transition Period and Community Support

We kindly ask for your patience and understanding as we transition to this new service. While every effort is being made to ensure a smooth handover, some initial challenges may occur.

We appreciate your cooperation as we work together to improve waste services across our community.

If you have any questions or concerns, please contact the Council office on 8626 1001.

DISTRICT COUNCIL OF Streaky Bay

PUBLIC NOTICE

Hard Waste Disposal Week

Attention all ratepayers and residents!

Embrace the opportunity of a complimentary hard waste week happening from:

Tuesday 15th July to Saturday 19th July 2025

Make use of this occasion to dispose of your hard waste at the Streaky Bay Waste Transfer Station at absolutely no cost.

Accepted items for free disposal include:

- Fridges, freezers, air conditioners (must be degassed)
- Household white goods (e.g. washing machines, stoves)
- Household furniture (cupboards, chairs, bed frames only)
- Scrap metal and timber
- Electrical appliances (e.g. TVs)
- General household materials (e.g. doors, kitchen sinks)
- Rolled-up carpet

The following items are not accepted:

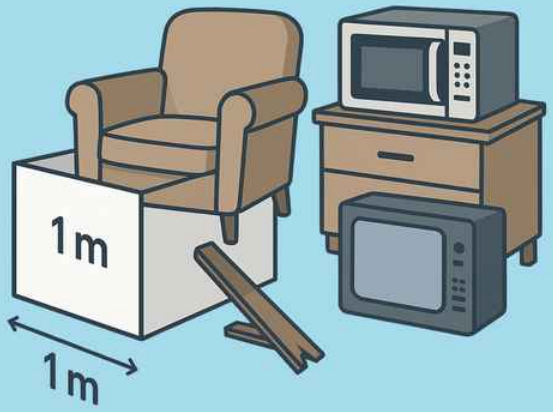

- General household waste
- Mattresses
- Commercial waste
- Liquid waste (e.g. motor oil paint)
- Concrete, bricks, rock, dirt, sand
- Gas bottles, asbestos
- Ammunition/explosives
- Car bodies, car parts, tyres

Kindly note:

- Strictly no household rubbish; hard waste items only.
- Please ensure items are sorted appropriately.

Permissible Quantity:

- Up to one cubic metre (approximately equivalent to a 6 x 4 trailer, without a cage)
- Or, 1x Three-seater sofa
- Or, 2x White goods

Transfer Station Opening Hours

Monday	CLOSED
Tuesday	9.00am - 12.30pm & 1.30 - 4.30pm
Wednesday	9.00am - 1.00pm
Thursday	CLOSED
Friday	9.00am - 12.30pm & 1.30 - 4.30pm
Saturday	8.00am - 1.00pm
Sunday	CLOSED

DISTRICT COUNCIL OF Streaky Bay

PUBLIC NOTICE

AB Smith Road Repairs Underway

Council is aware of the ongoing pothole issues at both ends of AB Smith Rd. These are due to repeated stress on the thin bitumen surface at the intersections, which leads to cracking, water penetration, and rapid pothole formation.

Our team has commenced temporary repairs using cold mix asphalt, which we acknowledge is only a short-term solution. Regular inspections and additional patching will continue as needed — however, we acknowledge that these short-term fixes won't hold up for long in such a high-stress area.

Long-term fix? The intersections will need to be fully rebuilt using more durable materials such as asphalt or reinforced concrete. This will come at a significant cost, and due to Streaky Bay's location, we face challenges including sourcing materials, accessing specialised labour, and managing transport logistics.

Recent repairs have been completed at both the western and eastern intersections. We appreciate your patience as we work toward a more permanent solution.

DISTRICT COUNCIL OF Streaky Bay

SUBSIDISED CAT DESEXING

Available to **District Council of Streaky Bay** residents on low-income at participating vet clinics.

NDN National Desexing Network 1300 368 992 CALL NDN NOW TO GET YOUR VOUCHER WHILE FUNDS LAST

DOG REGISTRATION

REMINDER

Not your Land Rover.... your Dog "Rover".

Dog and cat registration renewals 2025/2026 will soon be available for processing through Dogs and Cats Online. Renewal notices will be sent out to owners in the first week of July 2025.

As in prior years, **registration renewals for dogs must be completed before 31st August 2025**. Every dog over 3 months of age must be registered. And please make sure your dog or cat is microchipped. Be aware that penalties will apply for not complying.

Dogs and Cats Online is the statewide online system used by all South Australian councils for dog, cat, and breeder information, and YES you can register your cats as well, and we encourage you to do so as this can make all the difference when we try to safely return home an "escaped" dog or cat.

Of course, if you have any difficulty accessing and using Dogs and Cats Online, then our friendly council staff can assist you.

David Francis
General Inspector

A Seasonal Guide for Streaky Bay Gardeners

As July settles over Streaky Bay, the crisp air and damp soil make it a great time to nurture your garden—and your wellbeing. Winter gardening offers gentle physical activity, boosts mood, and helps you feel more connected to nature. Even a few mindful minutes a day outdoors can support both body and mind.

What to Plant in July

- **Leafy greens** – Lettuce, spinach, silverbeet, rocket
- **Brassicas** – Broccoli, cauliflower, cabbage, kale (watch for caterpillars)
- **Alliums** – Garlic, onions
- **Peas & broad beans** – Add nitrogen to soil, great spring crops
- **Winter herbs** – Parsley, thyme, coriander

Tip: Add compost or seaweed solution to boost nutrients. Mulch helps retain warmth and keeps weeds down.

Planting Natives

Still a perfect time for:

- Grevillea, Hakea, Eucalyptus – Establish well with winter rain
- Wattles & saltbush – Hardy and support local wildlife

Winter planting helps build strong root systems before summer returns. Natives create beautiful, low-maintenance, sustainable gardens.

What to Prune in July

- **Fruit & deciduous trees** – Apples, pears, plums, figs, quinces: remove dead wood and open up the canopy
- **Shrubs & hedges** – Lightly tidy Westringia, lavender, rosemary; trim hedges to shape
- **Kangaroo Paw** – Cut back spent stalks and old leaves

Go easy on:

- Spring-flowering natives – Wait until after blooming
- Wattles (Acacia) – Only light tip pruning; avoid old wood

Tip: Clean, sharp tools reduce plant stress and help prevent disease.

Gardening for Wellness

Gardening is more than just a chore—it's great for your health:

- Keeps you active with gentle, joint-friendly movement
- Helps reduce stress and anxiety
- Builds connection—to nature, to others, and to yourself

Just 15 minutes a day can be part of a calming, healthy winter routine.

OFFICIAL

METROPOLITAN FIRE SERVICE SOUTH AUSTRALIA

Why Do You Need a Smoke Alarm?

When you sleep you have no sense of smell; you will not wake up if there is smoke in your house! You need a working smoke alarm to wake you. With early warning of fire you can escape before the house fills with toxic smoke. Visit the website www.mfs.sa.gov.au for more information.

Home Fire Escape Plan

The installation of working smoke alarms is the first critical step in having a Home Fire Escape Plan. It is vitally important that every family has a Home Fire Escape Plan which is practised and understood by all occupants. Advice on the development of a Home Fire Escape Plan is available from the South Australian Metropolitan Fire Service (MFS) by telephoning 8204 3611 or visiting the website www.mfs.sa.gov.au.

Streaky Bay Children's Centre

Welcome to our kindy!

Registrations of interest are now open for children to start universal 3-year-old preschool at our service in 2026. Children can attend preschool after their third birthday, not before.

Enrolment offers will be made through 2 major intakes (start of the year and mid-year intake). Please request an expression of interest form from the kindy if you don't already have one.

At our kindergarten, we are proud to offer a nurturing and inspiring environment led by highly qualified and experienced Early Years teachers who are passionate about supporting young children in their most important years of development.

Our **3-Year-Old Program** beginning in 2026 is thoughtfully designed to encourage curiosity, creativity, and confidence through play-based learning. With a focus on social, emotional, and cognitive growth, our educators provide each child with individual attention and support, helping them build strong dispositions for lifelong learning.

We believe that quality early childhood education sets the stage for future success, and we are committed to partnering with families to provide a warm, engaging, and inclusive learning community.

If you would like to see your child thrive with us please fill in the expression of interest form attached and return to the centre. Look forward to being part of your child's learning journey. Every child has a right to quality education.
Please call Susie or Kate on 86261160 if you have any questions

STREAKY BAY CHILDREN'S CENTRE

OCCASIONAL CARE

Is a 3-hour session for children aged 12 months to kindergarten age. It's designed to support families who need short term care —whether for work, appointments, or simply a break.

Occasional Care provides a safe, nurturing, and engaging environment where children can play, learn, and build social skills through fun and age-appropriate activities.

SESSION TIMES:

Monday Morning: 8:45am – 11:45am
Monday Afternoon: 12:15pm – 3:15pm *over 2 years only*
Wednesday Morning: 8:45am – 11:45am
Wednesday Afternoon: 12:15pm – 3:15pm

COST:
$5.00 per child – concessions apply

FOR MORE INFORMATION CALL OR TEXT:

LANDOWNER INFORMATION SERVICE

Do you need help to understand land access and landowner rights dealing with exploration, mining, quarrying or energy projects on your land?

With increasing interest in South Australian land for resources exploration, mining, quarrying, hydrogen and renewable energy projects, many landowners are unsure about their rights and responsibilities.

We provide free, factual, impartial and independent information to help SA landowners, farmers and communities understand their land access rights when dealing with mining resources and energy projects—whether they're new to the process or have faced challenges in the past.

Key support features include:

- Providing clear, easy-to-understand information about resources exploration, mining, quarrying, hydrogen and renewable energy projects
- Supporting landowners to understand their legal rights and obligations when industries seek land access
- Empowering landowners with knowledge so they can make informed decisions
- Encouraging open and respectful conversations between landowners and industry
- Offering an impartial and confidential service to ensure landowners receive unbiased information

Support for Small & Family-Owned Rural Businesses Impacted by Drought

Small, family-owned businesses are the heart of our rural communities—creating jobs, sponsoring the local footy club and keeping our towns vibrant. But many are under pressure from drought and rising costs.

Rural Business Support (RBS) offers a free, independent and confidential Small Business Financial Counselling Service to help small and family-owned businesses across rural, regional and remote South Australia navigate these challenges.

Our Business Financial Counsellors provide tailored, one-on-one support to help owners:

- Understand their financial position
- Navigate financial issues and creditor pressure
- Identify options for the future
- Develop cash flow and debt management plans
- Access dispute resolution services
- Seek broader professional advice and support
- Explore government and industry support, such as the $1,500 SA Government Rural Support Grant

RBS Business Financial Counsellors are locals who understand rural and regional business. They come to you, in town or via phone or video call, and their support is non-judgemental.

If you know a small, family-owned business that could benefit, please encourage them to get in touch.

FLAVOURS OF STREAKY BAY!

Each month, The Criterion will be featuring recipes from one of our locals. We hope to eventually build a recipe book that showcases the best of Streaky Bay! The recipe can be anything you love to eat, from a sauce to a sweet! Please email all your recipes to info@streakybay.sa.gov.au

Ben's Beef Winter Warming Stew

Ingredients:

- 1 tbsp garlic (minced)
- 1 kg gravy beef, cut into bite-sized pieces
- 1 brown onion, finely diced
- 4 celery sticks, finely diced
- 1 leek, finely diced
- 1 zucchini, finely diced
- 1 parsnip, diced
- 1 carrot, diced
- 1 red chilli, deseeded and finely diced (optional)
- ¼ butternut pumpkin, skin removed, diced
- 1 cup red wine
- 2 cups beef stock
- 1 tin whole tomatoes
- Handful of fresh parsley (or 1 tbsp dried)
- Handful of fresh basil (or 1 tbsp dried)
- Handful of fresh oregano (or 1 tbsp dried)
- 1 sprig fresh rosemary
- 1 tbsp sweet paprika
- Salt and pepper to taste
- Dash of honey (optional)
- Plain flour (for coating the beef)
- Olive oil (for frying)

Method:

Toss the beef pieces lightly in plain flour. In a large pot or casserole dish, heat a little oil and brown the beef in batches. Set aside.

In the same pot, add a bit more oil if needed. Sauté the onion until soft, then add the garlic and cook until golden.

Add the celery, leek, zucchini, parsnip, pumpkin and carrot. Cook for a few minutes until the vegetables begin to soften.

Return the beef to the pot. Add the tinned tomatoes, breaking them up gently with a spoon. Pour in the beef stock and red wine. Stir well and bring to a boil.

Reduce the heat to a simmer. Add the herbs, paprika, salt, and pepper. Let it simmer gently for at least 1 hour, preferably 3–4 hours, until the beef is tender and falling apart. Stir occasionally.

Taste and adjust seasoning as needed. If you'd like a touch of sweetness, add a dash of honey.

To serve:

Serve with garlic bread, a baked potato, mash, or pasta. You can also sprinkle with Parmesan cheese.

By Ben Simpson

Andreas' Smoked Fish Bake

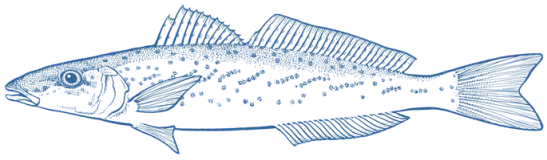

Ingredients

- 2 tbsp plain flour
- 2 tbsp butter
- 1 onion, diced
- ½ red capsicum, finely chopped
- 1½ cups milk
- 2 tbsp French onion soup mix
- 2 tbsp chicken noodle soup mix
- 1 tin corn (include the liquid)
- 1 tbsp chopped parsley
- 1 small tin tuna in brine, undrained
- Juice of 1 lemon
- 2 cloves garlic, minced
- 1 cup grated cheese (plus extra for topping)
- Cracked black pepper, to taste
- Leftover smoked fish, flaked
- Other seafood or leftover fish (e.g. squid, prawns), chopped

Method

1. Preheat your oven to 180°C
2. In a large pan, melt the butter and lightly fry the onion and capsicum until soft.
3. Stir in the flour and cook for 2 minutes, stirring constantly to form a roux.
4. Add soup mixes, then gradually pour in the milk while stirring to avoid lumps.
5. Add corn (with its liquid), tuna (with brine), garlic, and parsley. Stir well.
6. Allow the sauce to simmer gently until it thickens.
7. Add 1 cup grated cheese and stir until melted.
8. Stir in lemon juice and cracked pepper, then turn off the heat.
9. Gently fold through flaked smoked fish and any other cooked seafood.
10. Pour mixture into a baking dish. Top with extra cheese.
11. Bake for 30 minutes, or until golden brown on top.

Join Streaky Bay ArtsUp for their monthly CRAFTERNOONS!
Whether you're into knitting, beading, macramé, cross-stitch, drawing, or any other craft, bring your project and passion. It's a great chance to connect, share ideas, and get inspired in a friendly, supportive environment, whether you're a seasoned crafter or a beginner!
We also offer a Craft Taster, a self-led activity where you can try out a new craft to see if you like it before diving in. Come along, explore your creativity, and have fun!

1pm - 4 pm
Art Shack - 15 Slidys Rd

Understand this

The heavens and the earth are only just over six thousand years old.

The only reason they exist is because God created them for mankind

to know and appreciate His love for humanity who He made

and to understand the extent of His power and glory.

Climate change is real and it has been happening at various

levels of intensity over six thousand years.

The human contribution is insignificant.

It is not what we do that matters.

It is how we respond that counts.

Gods ongoing love is about caring for people therefore our

response to Gods love should be planning and helping people

to relocate from places we already know are going

to be badly affected by this current surge

of ongoing climate instability.

Peter Jans
