ARTS UP EXHIBITION OPENING NIGHT

ArtsUp Exhibition Wows Streaky Bay with Local Talent & Creative Energy

The 2025 ArtsUp Streaky Bay Exhibition officially opened on Friday, 26th September, drawing a fantastic crowd as 108 artworks by local and regional artists filled the stunning Super Room with a beautiful and diverse display.

Backed by an all-volunteer committee, the event was a true celebration of community spirit — fuelled by late nights, passion, and the collective creativity of the Eyre Peninsula.

“This exhibition is about connection, courage, and creativity,” said ArtsUp President Kayla Window. “It was wonderful to see the community come together — there was such a buzz of excitement and happiness throughout the opening night.”

Supported by grants from the Streaky Bay Community Op Shop, Streaky Bay Hotel, District Council of Streaky Bay, and the Mental Health Coalition, which helped fund the prize money and support this vibrant event, ArtsUp is fast gaining a reputation as a vibrant and inspiring local arts event.

Open to the public for one full week, the exhibition quickly became a must-see school holiday activity, with locals, tourists, and children wandering through daily — exploring, admiring, and being inspired by the vibrant artworks on show.

2025 ArtsUp Streaky Bay Exhibition Winners
Open Major Prize: Donna Legovini – “Island Hopping”
Open Merit Prize: Sharon Gilmore – “Picnic at the Lagoon”
3D Major Prize: Patrick Cotton – “Seascape”
3D Merit Prize: Ali Hein – “Oceans Embrace”
Photography Major Prize: Sacha Robinson – “Blue Banded Bee”
Youth Major Prize: Maya O’Brien – “Panicked Peacock”
Youth Merit Prize: Emmie Window – “My Brain”

Winners were selected by a panel of well-known artists from across the Eyre Peninsula — Ella Boylan, Cait Wait, and Bec Gosling — who generously volunteered their time and expertise.

Stay tuned! In the next issue of The Criterion, we’ll bring you full coverage of the art workshops held during the exhibition week — with highlights, photos, and reflections from artists and participants.

Locals are encouraged to support future ArtsUp events by becoming a member ($20) or sponsoring an award category.

COMMUNITY ACHIEVEMENT

Two Local Finalists in the 2025 South Australian Tourism Awards

Two local businesses have been named finalists in the 2025 South Australian Tourism Awards: Streaky Sounds 2025 Music Festival and Pod[e] Luxury Off-Grid Accommodation. This recognition is a fantastic achievement for the region and reflects the passion, creativity, and hard work behind both businesses. Streaky Sounds, a three-time finalist, continues to put Streaky Bay on the map by attracting visitors and delivering an unforgettable music festival experience. For the second consecutive year, Pod[e] Luxury Accommodation has been recognised for transforming an off-grid dream into one of the Eyre Peninsula's most unique and memorable getaways.

Show Your Support
The community can support both finalists by voting in the People's Choice Awards before 15 October 2025. Voters also automatically go into the draw to win prizes: https://www.surveymonkey.com/r/2025SATAPeoplesChoice

Winners will be announced at the 2025 South Australian Tourism Awards Gala in Adelaide on the 7 November 2025.

PROBUS

Spring is in the air, so our Happy Chat was full of smiles, sunshine, and things that mean Spring to us.

At our meeting this month our guest speaker was Paul Evans from Evans Oysters. He gave an amazing rundown of the Nuffield Primary Producers scholarship trip he had taken recently. Week one was to Canberra then onto New Zealand, where he visited different industries and listened to many guest speakers. Staying an extra week to visit many oysters farms in their pristine waters. A video of Flip Farming was very interesting to watch and can see how it will save workers bodies and time for farmers. He travelled to Singapore where there is only 2% farming land. Then on to Taiwan where the oyster farms are very Basic and labour intensive. Next to Zimbabwe a dangerous area where they farm tobacco and blueberries.

PROBUS CONTINUED...

Paul also managed to do a safari with the group there. At Romania he learned about Bio security rules. Poland was broad ache farming of largely potatoes, which was also used in production of Vodka. Lastly Chile, where there were vineyards, wine, Tulips, dairy and Oyster farming.

What a fantastic experience for Paul and extremely interesting to Probus members. Thankyou Paul for giving up your valuable time to speak to us so willingly as a way of honouring your beautiful Grandma Doris Lee who was a long time member of Probus.

INDOOR BOWLS

October 1st 2025 begins the 2025-6 year for Streaky Bay indoor bowlers. Club treasurer Geoff Kain advises that as at 24/9/25 he had received 24 registrations including new members Bob and Christine Woolner.

Indoor bowling is played every Wednesday afternoon, visitors always welcome to give it a try. The club is a social affair, happy faces, lots of chat and laughter. Popular is the free lucky number door prize - usually more than one prize. You may win a chocolate, eggs, plants, fruit, vegetables, homemade goodies, almost anything. All are donated. Recently there was a mug with apt slogan “Team Work = A lot of people doing what I say” !!

Each week there are chocolate prizes for members of the winning team. Players are placed in different teams - when possible, and 3 games of 8 ends are played with afternoon tea after the second game. A shots count was needed on two of the four September fixtures to decide the day’s winner. On 3/9 three teams were involved, the result was 27, 26, 20. The following week 10/9 two teams involved, the result 32 and 28.

On 17/9 decorated cakes were tabled to celebrate birthdays of club members Bev. O’Brien 14/9 and Julie Wild 26/9. see photo The 17/9 was indeed their lucky day. Julie won the money card and a door prize while Bev won the spot and a door prize.

Winning teams were=
Sept. 3= Julie, Darryl, Tony, James
Sept 10= Roger, Julie, Nicki
Sept 17= Shirley, Roger, Annie (visitor)
Sept 24= Roger, Gay

THE BAY COMMUNITY OP SHOP

On Friday September 26th the Bay Community Op Shop volunteers gathered at Drift to celebrate the first year in their new location and to thank all the volunteers for their time and effort. We all enjoyed a complimentary Devonshire morning tea and had the chance to mingle with other volunteers.

Thank you so much to Drift for supporting us with this. Thanks was expressed to Betty Kammermann, Darryl Trevena and Annie Tarrant for their work as volunteers over the past three years with the Community Op Shop. Their time and effort was much appreciated and we wish them well in their new ventures.

Once again we must thank the community for your continued support of the Bay Community Op Shop with purchases and donations. The girls in the sorting room do an amazing job and really appreciate it when donations left at the shop are clean.

On Saturday October 18th the Hospital Auxiliary Trading Table will take place out the front of the shop from 9:00 am till 12:00 noon.

Donations of plants and produce can be left at the shop on Friday or dropped off during Saturday morning. We look forward to a wonderful full table of goodies to sell. Money this year is going towards another automatic sprinkler system at the hospital.

The Hospital Auxiliary and the Bay Community Op Shop thanks you for your support.

STREAKY BAY SENIOR CITIZENS

A Hidden Treasure in Streaky Bay : Senior Units That Deserve the Spotlight

Quietly serving our town for years, the Streaky Bay Senior Citizens Homes have become a vital lifeline for older residents looking for safe, affordable, and supported living. Yet despite their importance, many in the community still don't know they exist.

With 11 well maintained units-9 for purchase and 2 rental-these homes offer more than just a roof overhead. They provide peace of mind, independence, and a built in support system, including maintenance, gardening, and general upkeep, all for a small weekly fee. In a time when housing options for seniors are limited, these units are a true community asset.
But demand is growing, and vacancies are rare.

With a waiting list that continues to grow, it is time to raise the profile of this essential community service-and to make sure it is supported well into the future.

That is why we are calling for new members to join the Streaky Bay Senior Citizens Homes Committee.

If you are passionate about supporting the ageing population, if you value community connection, or if you simply want to make a meaningful contribution, we would love to hear from you. You don't need special qualifications-just your time, your ideas, and your willingness to help shape something important.

Help us give these homes the recognition and support they deserve.

Please feel free to be part of something that matters by getting involved and attending:

STREAKY BAY SENIOR CITIZENS HOMES INC - AGM
When: 24th November 2025
Where: Streaky Bay Hotel - Mudge Room
Start Time: 5.30pm

5 members met for our September meeting, where we celebrated Rhonda's birthday.

We received a letter and certificate of appreciation for our catering from the CFS. Floral winners were Patsy for a single bloom, multiples resulted in ties between Rhonda and Jan in first place and tying for second were Patsy and Sharon.

Our next meeting will be at RSL Hall on 14th October at 1030.

MENS SHED

It is great to see good numbers back at the Men's Shed.

A big thankyou to the members who helped with the cleanup of the veranda. Now that the front fence is gone people can see straight onto the shed. A great job well done. Thanks also to two of our newest members in Jeff Kenny and Terry Walker for taking the time to cut the edges of the green and for tidying up the garden and surrounds.

On the 5th of September we held our AGM. A good roll up of members and visitors. Our committee consists of Rob Fiebig (president) John Lelifeld (vice president) Wayne Miller (secretary) Jim Petty (treasurer) others on the committee are Mick Le Cerf, John O'Brien, John Thomson and Garry Hodge. Thanks to Rob Fiebig we had a nice lamb stew for diner on the day of the AGM.

Special thanks must go to John Thomson for picking up one of our members in Owen Pritchard. Owen is picked up from Elm haven and taken back whenever he asks to go back.

From a work side of things, we have delivered the bookcase to the Op Shop, thanks to John Thomson and Rob Fiebig for doing this. The lighthouse has been picked up, the outdoor table was collected.

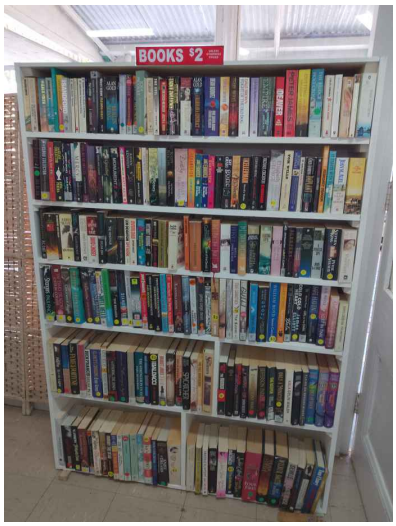

We have refurbished two bench seats that will be used in the community garden along with two smaller chairs. We have sent another 70 pairs of reading glasses to Pt Lincoln for checking and sending overseas.

On the 19th of September we had Robin Bodycomb who is a member of both our shed and Kersbrook shed drop in to see how we are going. On the 26th of September we were treated to some pasties made by chef Rob Fiebig. Thanks, Rob.

It was good to see another new member in Bernie Evans at the shed on the 26th. Bernie had a project he needed help with.

ST AUGUSTINE CHURCH NEWS

The Diocese of Willochra, (the governing body that covers all Anglican Churches in South Australia, north of Gawler) has a motto “Little Tribe, Big Vision”. That motto really fits St Augustine’s, Streaky Bay.

St Augustine’s small congregation meets each Sunday at 10.30am and has some BIG plans to help and encourage the people of Streaky Bay and the nearby district.

Most of these plans currently revolve around Christmas and early next year. While most people are not thinking about Christmas just yet, the congregation of St Augustine’s has started to plan its Christmas activities with something for young and older people and of course visitors to Streaky Bay. More about that closer to the time – but be prepared to see some little lambs around town leading up to Christmas.

Wedding Gala – Valentine’s Day February 14th, 2026:
One idea that St Augustine’s parishioners do need your help with is obtaining photos of weddings that have taken place at St Augustine’s. There is a plan for a celebration of these weddings to happen in February. Be prepared for something special on Valentine’s Day (February 14).

If you have wedding photos of yourself or relatives who were married at St Augustine’s, would you be prepared to lend them, or allow us to copy them for display on that day? A short paragraph or two about the people or family involved would be very welcome. We hope this will be a fun way to show the historical importance of the Church to the area, and to celebrate love on this day.
More details will be sent out closer to the event, and everyone will be welcome.

If you have photos and are prepared to loan or have them copied, please contact Meryl Burdon on 046.624.991 or Reverend Christine on 0407.033.257.

Thank You BBQ – Friday 17th October.
All previous workers at the Bay Op are invited to a Thank You BBQ at St Augustine’s Hall.
The ministers and parishioners would like to extend their thanks to those volunteers for all the hard work put into that The Bay Op Shop.
It would be helpful if you could RSVP to Bob on 0448.995.575 or Christine 0407.033.257.

Gala “The Shed” Opening - Monday & Tuesday 20th & 21st October:
As suggested last month we are opening The Shed with a “monster sale”. All garbage bags of goods will be sold $5.00 per bag. The only ‘rule’ is that you have to be able to carry the bag away! Everything you choose that fits in goes for $5.00 – what a bargain bring your own bag or get one from us!

SATURDAY OCTOBER 11 7PM | STREAKY BAY INSTITUTE

The Beatles like you've never heard them before — with a swing, a sway, and a whole lot of soul.

Multi-award winning cabaret artist Charlee Wa , backed by her fab band, shines fresh light on your favourite Beatles hits. Think Lennon & McCartney with a deliciously jazzy twist. Even Beatles purists love this show.

Channeling the spirit of jazz legends, Charlee breathes new life into the Beatles' catalogue with funky grooves, smoky ballads, and swinging rhythms that get right under your skin. It's been over 60 years since Beatlemania hit Australia and now it's time to fall in love all over again, in a whole new way.

DECLARED WEED NOTICE: *GAZANIA*

The District Council of Streaky Bay in conjunction with the Eyre Peninsula Landscape Board, is implementing ongoing measures for management and control of this pest plant.

District Council of Streaky Bay

Landscape South Australia Eyre Peninsula

Background

Gazania: The South African perennial daisy

Widespread across the Streaky Bay coastal district and is destructive in coastal dunes and roadside vegetation where it can smother and outcompete all other plants. It is recognised by landholders and primary producers as a difficult weed to control once established on farming land.

Gazanias are tolerant to fire, frost, salinity and drought. Outside their natural range Gazanias rapidly out-compete native plants, leading to a decline in biodiversity, and healthy and resilient ecosystems.

Herbicides

The *Weed Control Handbook for Declared Plants in South Australia* offers advice on suitable herbicides and rates. A copy of the handbook is available at www.pir.sa.gov.au.

Landholders should always read the label of any herbicide to ensure it is suitable for its intended purpose and can be used safely. Care should be taken to avoid herbicide contact with native plants and any spraying of herbicide in native vegetation or public land should be left to qualified operators.

Timing

Control is most effective when the plant is actively growing between June to November. This can be defined as having new lush foliage and flowering. Do not spray when the plant is visibly under stress.

What can I do?

Landholders and residents are strongly encouraged to remove all gazania plants from their properties. This will contain the spread in our local area, protecting vulnerable habitat and farmland. When disposing, please ensure that plants are contained in a plastic bag and placed in your general waste bin or taken directly to the transfer station.

Not sure what weed you have? There is a free WeedScan app which allows registered users to make a record of a suspect weed for formal verification.

Scan the QR Code to download the WeedScan app

Physical Control

For the most effective control, the entire plant, including its root system, should be dug out. Minimal disturbance techniques should be employed. Plants should be removed and bagged correctly for disposal to ensure flowers do not go to seed or roots re-establish.

In situations where the plant cannot be removed, flower heads should be taken off before setting seed. This will prevent the further spread of seed. Mowing is recommended as a **last option** and only at strategic times; e.g. before seed set.

More Information

***Gazania* is a declared plant under the *Landscape South Australia Act 2019* and its sale or transport is prohibited throughout the whole of the state of South Australia.**

For further information on the management and control of gazania, please contact the Eyre Peninsula Landscape Board Office in Streaky Bay at 15 Bay Road on (08) 8626 1108.

Beach-Nesting Birds

The breeding season for beach-nesting birds is now in full swing. From spring through summer, these birds lay their eggs directly on the beach. Each breeding season, close to 900 vital sites are monitored to track the reproductive activities of species such as the Hooded Plover, Fairy Tern, Red-capped Plover, and Pied OystercatcherThe success rate for producing chicks has improved significantly at monitored Hooded Plover sites, rising from as low as 2% to as high as 50%. Classified as Vulnerable, there's estimated to be only 892 Hooded Plovers remaining in South Australia.

Without efforts to protect their habitats and provide undisturbed spaces for nesting, these beach-nesting birds face the threat of extinction. Many of these species are found along our local beaches, highlighting the necessity for collaborative initiatives to establish safe environments where these birds can flourish.

Important Guidelines for Beachgoers

When visiting the beach, please adhere to the following recommendations when you encounter signs indicating nesting areas or chick feeding zones:

- *Avoid lingering between the signs.*
- *Keep your dog on a leash and walk along the water's edge.*
- *Staying down low near the water's edge if driving on the beach.*

Nesting signs are displayed only during the incubation period, which lasts for **28 days**. These birds, especially Hooded Plovers, are highly sensitive to disturbances. They typically lay **2 to 3 eggs** in a shallow scrape in the sand, with both parents sharing incubation duties. If the nest is disturbed, both parents will abandon it momentarily to divert potential threats away from the eggs, leaving them exposed to predators such as gulls, ravens, dogs, and hawks, as well as at risk of being trampled by humans, pets or four wheel drives.

Furthermore, unprotected eggs are susceptible to adverse weather conditions: they may become buried under sand during windy conditions, can overheat in high temperatures or be impacted by cold weather. If threats persist, and chicks are unable to regulate their own body temperature, they will require brooding from their parents.

Chick Feeding Zones

may be designated along the beach, as chicks need to gain quick independence and can be found along the whole length of the beach. These well-camouflaged chicks, approximately the size of a 50-cent coin, are unable to fly for the first *35 days* of their lives. When faced with threats, the parent birds signal their chicks to crouch in the sand for protection. During this vulnerable phase, chicks are at risk from predators and accidental trampling.

Your cooperation is crucial for the survival of these vulnerable birds. By adopting measures like those mentioned, we can greatly improve the survival chances of Hooded Plovers and work towards reversing their decline.

2025/2026 NEW YEARS EVE FIREWORKS

On behalf of Streaky Bay Community Hotels Ltd, Board of Directors, we are pleased to let the community of Streaky Bay know the annual fireworks will be held.

As a part of this announcement, we would welcome feedback from you about the future of this event. The support and sponsorship received from individuals and businesses is a vital part of this major event in the Streaky Bay calendar. As you may know the Board pays the difference between the cost of the event and the funds raised from business sponsorship and donations.

As the Board has advertised over recent years the funds contributed by the Board to the fireworks are allocated from funds that could be used to support community organisations such as, Streaky Bay Hospital, Elmhaven, SAAS, CFS, SES and sporting clubs, over the past 20 years this has provided in excess of $1million to organisations such as these.

To this end we welcome your **feedback** to assist in making the best decision for our community, the below examples may assist in prompting any thoughts -

Yes, we would like to sponsor again this year.
No, we would prefer the funds to be redirected and for the event not to proceed.
If yes, how much would you or your business commit to sponsoring?

Please email feedback to: **livestock@westcoastag.com.au**

Thank you for your time and we look forward to your support to this year's event.

Council News

FROM THE CEO'S DESK

From the CEO – Streaky Bay Jetty Swimming Enclosure

Many of you would have noticed the unusual sight of waves breaking over the Streaky Bay Jetty during the storms between 7 and 9 July this year. What may not have been as visible, with the jetty closed, is that these conditions caused significant damage to the jetty swimming enclosure. Powerful swells struck the northern lower landing, damaging the supporting structure and leaving it unsafe for use (see photo below).

Since then, Council has been working closely with Maritime Construction, West Coast Welding, and our engineers to stabilise the site (see below) and determine the best way forward. Maritime Construction acted quickly on 14 July to secure the damaged section and have since assisted us by facilitating safe access for inspections and assessments. Their support has been invaluable.

Engineering assessments and contractor reviews have now confirmed that the observation deck cannot be repaired. The structural failures, combined with the age and deterioration of materials, mean that repairs would require major investment and long timeframes. In addition, the decking mesh does not meet current standards and is deteriorating rapidly due to storm damage. After careful consideration, the decision has been made to remove the observation deck.

FROM THE CEO'S DESK CONTINUED...

Removal will be completed by 11 October 2025, which will allow the jetty to reopen to the public and the pool to return to community use. Once the deck is removed, the new platform and ladder will remain available for safe entry and exit, and new stairs will be installed in the coming months. We know that relying on a ladder at first is not ideal, and while we will prioritise the installation of new stairs, contractor availability and supply of materials may mean this might take a couple of months.

Looking ahead, Council will need to commission engineered designs for a replacement platform, obtain costings, and work with the Jetty Pool Committee to identify funding opportunities. Unfortunately, this means a new platform is unlikely to be delivered until next year, after the summer season.

We appreciate that this news will be disappointing for many in our community who value the jetty pool so highly. Please be assured that the decision has been made with safety as the first priority, and with the long-term sustainability of the jetty in mind. Council is committed to ensuring this much-loved asset is retained and improved for future generations, and we are grateful for the community's patience and support as we work through these challenges.

Warm regards,
Damian Carter

DISTRICT COUNCIL OF Streaky Bay

HAVE YOUR SAY: SHAPING THE FUTURE OF TOURISM IN STREAKY BAY

The District Council of Streaky Bay is inviting residents, local businesses, and tourism operators to help shape the future of tourism promotion in our district.

Council is developing a **Streaky Bay Tourism Marketing Plan** to create a clear and coordinated approach to how our region is promoted as a destination. At the moment, tourism information comes from a variety of sources, which has led to outdated materials, inconsistent messaging, and fragmented promotion. By working together, we can ensure Streaky Bay is represented in a way that is fresh, accurate, and true to our community.

Why This Matters
Tourism is a vital part of Streaky Bay's local economy and lifestyle. A shared strategy will:

- Improve the accuracy and currency of tourism information.
- Provide consistent and coordinated messaging.
- Better meet the expectations of visitors.
- Support local businesses and tourism operators.
- Strengthen collaboration between Council, industry, and the community.
- Increase the visibility and reach of Streaky Bay as a destination.
- Build trust by showing how community feedback is shaping outcomes.

Consultation Period
The consultation will run from **1 October 2025 to 31 January 2026.** During this time, community members can contribute through surveys, meetings, and opportunities for public comment.

How You Can Be Involved
A dedicated consultation page has been set up where you can find background information, updates, and the community survey.

Take the survey here: https://www.streakybay.sa.gov.au/council-services/Major-Projects/streaky-bay-tourism-marketing-plan

Your input will directly shape the Streaky Bay Tourism Marketing Plan, ensuring it reflects local voices and supports a strong future for our region.

This is an opportunity to ensure Streaky Bay is promoted in ways that highlight what makes our region distinctive and competitive as a destination for years to come.

Blocktober

MOW MOW MOW YOUR BLOCK!

LONG GRASSES AND THICK UNDERGROWTH ARE A RISK TO COMMUNITY SAFETY. BUSHFIRES CAN KILL. AND SO CAN SNAKES. PLEASE CLEAR YOUR BLOCK.

Our Streaky Bay Council Fire Prevention Officers will be undertaking an inspection program of properties in the district during October. Owners of those properties that are not compliant will be issued with a hazard reduction notice specifying the actions that are required to be taken.

IF PARCEL OF LAND IS LESS THAN 0.5 HECTARE (5000 SQM)
Clear or slash undergrowth to a maximum height of 10cm over the entire block where practical

IF PARCEL OF LAND IS GREATER THAN 0.5 HECTARE (5000 SQM)
Mow or slash to a maximum height of 10cm, all undergrown in a strip 5 metres wide, as near as practicable or the perimeter of the allotment and all undergrown within 20 meters of an asset.

Be aware that Council engaged contactors will also be deployed to conduct works if the property remains in default and the cost will be charged to the landowner. Expiation Notices will be issued for non compliance. So please act now and keep our community safe. This work is done by Council to reduce bushfire risk in the community.

ARE YOU BUSHFIRE READY? PREPARE. ACT. SURVIVE.

If you require assistance the following mowing contractors are available within the district:

A Seasonal Guide for Streaky Bay Gardeners

October in Streaky Bay means full spring mode—longer, sunnier days, soil warming up fast, and plants hitting their stride. Gardens are growing quickly, and now's the time to feed, water, and protect them so they thrive right into summer.

What to Plant in October

- Leafy greens: silverbeet, rocket, lettuce
- Root veg: beetroot, radish, carrots
- Warm-season crops: tomatoes, capsicum, cucumber, pumpkin, zucchini
- Herbs: basil, coriander, parsley, dill\

Tip: Keep seedlings well-watered as the weather warms, and use mulch to stop the soil drying out in the spring winds.

Planting Natives

October is still a great month for planting natives while soil moisture is good. Choose hardy species that love coastal conditions.

- Eremophila and grevillea – attract native birds and insects
- Kangaroo paw – add colour and height to garden beds
- Saltbush, pigface, and coastal rosemary (westringia) – thrive in sandy soils and salty air

What to Prune in October

- Winter-flowering shrubs – light trim to shape and encourage new growth
- Citrus – prune after fruiting is finished, but avoid heavy cuts
- Roses – remove spent blooms to encourage repeat flowering
- Herbs – snip oregano, thyme, and mint to keep them tidy

Hold off pruning spring flowering plants until their display is finished—cutting too early means losing flowers.

Gardening for Wellness

October is perfect for enjoying the outdoors before summer heat arrives. Time in the garden helps you:

- Get moving with gentle, regular exercise
- Soak up spring sunshine for vitamin D
- Connect with nature as bees, butterflies, and birds fill the garden
- Enjoy fresh, homegrown herbs and veg to boost your meals

Even a short potter in the garden each day helps reduce stress and create balance. Explore more: Visit the Preventive Health SA website for info on the benefits of time in green spaces

Tams Basil Beef Stir Fry

Ingredients

- 750g beef (flank, skirt, or rump)
- 3 tbsp bicarb soda
- 1 carrot, cut into thin sticks
- 1 red chilli, diced
- ½ broccoli, cut into florets
- ⅓ cauliflower, cut into florets
- ½ red capsicum, sliced
- 3 spring onions, cut into 2cm batons
- Handful of green beans, trimmed
- 3 tbsp light soy sauce
- 1 tbsp dark soy sauce
- 2 tbsp kecap manis
- 250ml chicken stock
- 1 tbsp cornflour
- 1 tbsp crushed garlic
- 1 tbsp crushed ginger
- 1 bunch basil leaves
- ½ bunch coriander chopped

Method

1. Slice beef into thin strips. Toss with bicarb soda. (velveting the beef) Leave for 30–40 minutes. Rinse well and pat dry.
2. Heat oil in a wok. Stir fry beef with garlic and ginger until just cooked. Remove and set aside.
3. Mix light soy, dark soy, kecap manis and chicken stock in a bowl.
4. Add carrot, chilli, broccoli, cauliflower and capsicum to the wok. Stir fry until just tender.
5. Pour in the sauce. Cook for one minute.
6. Add the beef back in. Add the green beans.
7. Mix cornflour with a little cold water. Stir into the wok. Cook for 3–5 minutes until the sauce thickens.
8. Turn off the heat. Stir in basil, coriander and spring onions.
9. Serve hot with rice and crispy fried shallots.

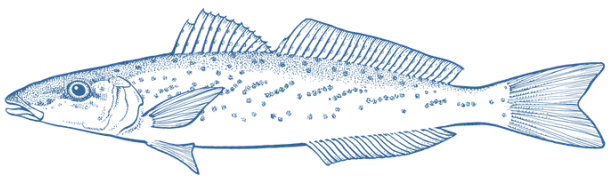

Sunny's Sausage Rolls

Ingredients

- 300g beef mince
- 200g pork mince
- 1 egg
- 1 zucchini, finely grated
- 1 carrot, finely grated
- 150gm breadcrumbs
- 1 tbsp fennel seeds
- 1 tbsp Worcestershire sauce
- 1 tbsp onion powder
- 1 tbsp garlic powder
- Salt and pepper
- Squeeze of tomato sauce
- 1 tbsp wholegrain mustard
- Puff pastry sheets
- Sesame seeds or everything bagel seasoning
- 1 egg, for egg wash

Method

1. Grate zucchini and carrot. Squeeze out as much liquid as possible.
2. Mix beef, pork, egg, zucchini, carrot, fennel seeds, Worcestershire sauce, onion powder, garlic powder, salt, pepper, tomato sauce, bread crumbs and mustard in a bowl.
3. Cut puff pastry sheets into six pieces.
4. Shape mixture into sausages about the size of a 20c coin in diameter.
5. Place mixture on pastry and roll up. Put seam side down on a tray lined with baking paper.
6. Brush with beaten egg. Sprinkle with sesame seeds or bagel seasoning.
7. Bake at 200°C until golden and cooked through.
8. Serve warm with tomato chutney.
